DR.
McLaughlin's
Electric Belt
Will Do This for You.

Back and Stomach—General Debility.
London, Ont.
Dr. McLaughlin:
Dear Sir,—I am glad to say that I never felt better in all my life, and all the praise is due to you and your Belt, which I only wore for three weeks, and have it laid aside as good as new. To put the whole thing in a nutshell, every joint in my body and my back is working like a new clock. My work is no bother to me, and I thank you again for the cure of my back and stomach, and for my whole system. Do not be afraid of letting anyone see this, and if they are not satisfied with this, send them to me, and I will prove it to them. After suffering for the most of four years, you and your belt cured me. I came here from Scotland for that cure, and I am for stopping in this country now. I am here to witness all I have said. Wishing you all kinds of prosperity and sale for your good remedy, I close, remaining,
Yours truly,
JOSEPH ARMSTRONG.
No. 173 Rectory St.

What would you give to have your old vim back again? What would you not sacrifice to feel as you did a few years ago; to have the same snap and energy, the same gladness, joyous, light-hearted spirit and the physical strength you used to have? You know you are not the same man, and you know you would like to be. You might as well be. It's easy. I am making men out of wrecks every day, and I can make you as good a man as you ever were with

DR. McLAUGHLIN'S ELECTRIC BELT

My arguments are good, my system is good, but I know you haven't time to study these. You want proof, and I give you that, and lots of it. When your own neighbor tells you I cured him, you will know I did it.

Tell me where you are and I'll give you the name of a man in your town I've cured.

I have yet to find a case of Nervous Debility, Varicocele, Early Decay and Waste of Power, Rheumatism, Lamé Back, Lumbago, Sciatica, any case of Kidney Disease that has not gone as far as Bright's Disease, Indigestion, Constipation or any weakness caused by ignoring the laws of nature, which I cannot cure with my new improved Electric Belt, the marvel of electricians, the most wonderful curative device that has ever been introduced.

My Electric Suspensory carries the current direct to the weak parts, and cures all weaknesses of men, varicocele, etc. It develops all weak organs, and checks unnatural drains. No case of Failing Vigor, Varicocele, or Debility can resist the powerful Electric Suspensory. It never fails to cure. It is free with Belts for weak men.

No man should be weak, no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him, no man should suffer when there is at hand a certain cure for his weakness, a check to his waste of power.

"Dear Sir,—I have tried your Belt, and it has cured me of constipation. I have not had it since I put it on the second time."
J. McINTYRE, Crossfield, Alta.

"Dear Sir,—Your Belt has given me great satisfaction. I sleep better at night, and can work better by day. I thank you very much for it."
ROBERT SHIRE, Phillipsville, Ont.

Most of the pains, most of the weakness of stomach, heart, brain and nerves, from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives. My Belt has

FREE ELECTRIC SUSPENSORY FOR WEAK MEN.

"I think it is my duty to give your Belt all the praise for what it has done for me. It is five years since I bought your Belt, and I could not work before I got it, and since then I have never lost a day or an hour. I was always doctoring before I got your Belt, and I would not now part with it at any price if I could not get another. If you can do anything with this, you are at liberty to do so."

If you haven't confidence in electricity, let me treat you at my risk. I will give you the Belt on trial, without one cent of risk to yourself. Give me reasonable security, and I will take your case, and you can

Pay When Cured!

The people who, after repeated disappointments, are seeking a remedy for their ailments, hesitate to adopt any untried treatment for fear it will fail, like the others they have tried. To such we say, ask your neighbors what Dr. McLaughlin's Electric Belt has done for them, or if you don't want to advertise your troubles too freely, write to us, and we will send you a list of persons cured by this grand electrical appliance, and you can write to them about it. Maybe we can refer you to someone you know in your own neighborhood, because there is hardly a village, city or township in which cannot be found persons cured by this wonderful Belt, who are glad to make known its great merits.
