GOSSIP.

John Herron, Live Stock Inspector, of Pincher Creek, is also a breeder of strictly first-class Clydesdale horses. His ranch, consisting of 500 acres, is beautifully located, just bordering the town and on the banks of the stream from which the town takes its name. Big Heart (10507) (imp.), brought out by Dalgety Bros., sire Prince Albert of Rose haugh, he by Prince of Albion, the renowned \$15,000 horse, sired by Prince of Wales, is one of the sires in service to-day. Mr. Herron has for the last fifteen years used only carefully-selected imported stallions, and although his pure-bred mares number only six, still, for the sake of his large bunch of drafters, he has used sires of the best procurable blood. Starlight, a big brown mare, and the mother of Mutch Bros.' (Lumsden) Winnipeg winner, Charming Star, twice winner of sweepstakes at Toronto, makes one of the half dozen owned by Mr. Herron. She is a massive mare, weighing 1,915 lbs., and an excellent breeder. At present she is suckling a fine filly foal, and her yearling, also a filly, combines size and quality. Another very fine mare is Queen Alexandra, a clean-limbed, sound-barrelled sorrel, with a grand neck, good action, and very muscular.

Baron's Duke is the coming sire for the bunch. He will be two years in April, and is a massive, showy light bay, with great bone and abundance of quality and style. He was sired by Baron Burgie (imp.), the horse that won first and sweepstakes at Toronto in 1900, he by the noted Darnley Again (9182), and out of Doll 2nd of Burgie Mains (7431). Lady York, the colt's dam, was sired by Granite City (imp.), winner of first and sweepstakes at the Toronto Spring Stallion Show of 1888. He was got by the celebrated Lord Erskine. Granite City proved a grand sire, many of his progeny being winners and breeders of note. Prince of Wales was the sire of the fourth dam of this promising young stallion. Such are but samples of the breeding of the stud-headers which have been used by Mr. Herron for the past fifteen years.

HIGH RIVER HORSE RANCH.

This large ranch, which takes its name from the beautiful river on which it is situated, is located some five miles west of High River town. Here about 600 horses, many of them of true draft conformation, range the broad pastures. In addition to the horses, some 350 cows and 500 steers also are at home here, the whole ably managed by A. H. Eckford. Mr. Eckford's drivers are a beautiful span of stylish-acting chestnut cobs, with white markings, and when decked with their silver-mounted tan harness and hitched to the fancy rig which forms part of the turn-out, they present a fine appearance. The saddle horses used by Mr. and Mrs. Eckford are a strong, showy pair of magnificent grays. A very pretty pony, from a Thoroughbred horse, calls for special attention, being extremely neat, and a great pet.

Border Riever, an imported Clyde stallion, bred by Lord Polwarth, and imported by Robt. Davies, is a short-backed, thick, well-quartered, muscular, dark brown horse, with a good head and grand neck. Several registered Clyde mares of the large, rangy type are kept. A Shire stallion, of good quality, very smooth, and an excellent sire, is also kept. A choice pair of yearling Shire colts, by Imp. Mars, are rapidly developing, and ere long will have a chance to leave their impress on the draft mares of this large ranch. They are large for their age, yet clean, smooth and tidy in all points. One of them, Pelham Chief, was shown at Calgary Spring sale, and carried away first honors. A couple of fine Shire fillies are also worthy of note. Their smooth, blocky appearance and true draft conformation would give them prominence anywhere. A very nice Coach sire is used successfully on the lighter mares. At the time of our recent visit, a great many promising young drafters were being halter-broken. They would weigh from 11 to 14 cwt.

Mr. Eckford is seeding considerable to tame grasses, already having seventy-five acres of brome, and the same of timothy. There is no doubt but that a larger hay cut can be got from brome and timothy than the natural prairie grass.
