Not Too Late!

It is better to be a week too early than a minute too late. You have an appointment to keep with your customers—do not keep them waiting but lay in that stock of Stowers' Lime Juice Cordial **now.** Be a week too early rather than a minute too late.

An honest production from natural fruit—nothing but pure, freshly-squeezed lime juice and fine loaf sugar. Delicious as a drink—of great value in the sick chamber. No mustiness—keeps as well after the bottle is opened and the cork is left out as before the cork is taken out at all.
