

WILL ASK FOR ENDORSEMENT

Of Imperial Resolution re All-Red
Sir Wilfrid Will Move in
Commons Resolution
to That Effect

OTTAWA, July 5.—Sir Wilfrid Laurier will on Tuesday next introduce a resolution asking parliament to endorse the resolution passed at the Imperial conference in London last summer in connection with the All Red line project. The resolution further recites that it is desirable that steps be taken with all convenient speed to achieve the results aimed at in the London resolution and that in the opinion of the Canadian commons it is desirable that the governments of Australia, Canada and New Zealand should with as little delay as possible agree upon a definite plan for carrying the scheme into effect, this plan to be then submitted for the consideration of the Imperial and colonial parliaments.

WOLFVILLE PERSONALS

WOLFVILLE, N. S., July 4.—Rev. Dr. Austin de Blois has rented Rev. M. P. Freeman's residence on Highland avenue and Mrs. de Blois and family arrived on Thursday to occupy it for the summer. Dr. de Blois will spend some time here later.

Rev. L. D. Morse and family have gone to Massachusetts. Mr. Morse will supply different churches for the summer, after which he will return to Colgate, where he has a scholarship and also a position as instructor in mission study. Before leaving Wolfville, Mrs. Morse was presented with a generous purse by the ladies of the church.

Dr. and Mrs. Barrs have gone to Lakeville, Conn., to visit their son, Professor Edmund Barrs.

Mr. and Mrs. I. B. Oakes are visiting friends at Albany.

A cable received on Tuesday by Dr. de Witt announced the safe arrival of Naples on Monday of Miss Nellie de Witt and party.

Dr. and Mrs. Wortman have returned from a camping trip in New Brunswick.

Miss Hazel Wortman has returned home from Hallowell, N. B.

Rev. Dr. Coburn has gone to Ottawa to visit his son, Avarde Coburn, of the civil service department, and his daughter, Mrs. L. B. Crosby, after which he will visit his daughter in Boston.

Mr. and Mrs. M. H. Goudge, of Windsor, have arrived in Wolfville to spend several weeks.

Mrs. (Dr.) Hutchinson has returned from Londonderry, where she has been visiting friends.

Mrs. Ringwald, organist of the Baptist Church, has gone to Rochester, N. Y., to visit her father.

Miss Dorothy Manning has gone to Silver Bay, N. Y., where she will present the Acadia Young Women's Association at the convention.

Mrs. Beckwith and Miss Helen Beckwith have returned from Hueston's Point, P. E. I., where they enjoyed a week's outing.

Miss Nettie Black has gone to the Long Island Hospital, N. Y., where she will train for a nurse.

Dr. McKenna and Mr. Creighton, manager of the Union Bank, returned home yesterday from their salmon fishing trip to Port Maitland.

Dr. Morley Hemmison is visiting his parents, Rev. J. B. and Mrs. Hemmison, Miss Keulback of Chester, who has been teaching in the Wolfville public school, has gone to Cambridge, where she will take the Harvard summer course.

Word has been received here of the death in California of the Rev. Wm. B. Bradshaw, Acadia, P. E. I., who has been in the west, and a wife, who was Miss

PORTLAND, Me., July 3.—Nicholas Kagavie, the Greek, who was taken from a local hotel a few days ago, where he was supposed to have been found entirely overcome by gas, died this afternoon at the Maine General Hospital, where he has been for several days for treatment.

CLARET'S
LIVER
PILLS
CURE
SICK
HEAD
ACHE

Stick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Headaches, Distress after eating, Indigestion, etc. While their most remarkable success has been shown in curing

Headache, yet Claret's Little Liver Pills are equally reliable in curing constipation, curing and preventing the annoying complaint, while they also purify the blood, regulate the stomach, stimulate the liver and regulate the bowels. If you only need

Acids they would be almost priceless to those who suffer from this distressing ailment; but fortunately they are so good and so safe that they can be taken in so many ways that they will be of value to all who take them. But if you are sick, head

RACING BALLOONS COME TO GRIEF

Occupants of Some
Badly Injured
Several Landed in Ontario—
Two Men Were Nearly
Drowned

TORONTO, Ont., July 5.—The balloon race which started from Chicago to the ocean, Saturday, has caused great interest in this province, over which the balloons must pass. So far, five have been heard from and three have come down in Ontario. The first reported was the Columbia, in charge of Capt. Peterson and C. H. Leichter of the Chicago Record Herald, which struck on a wire fence near Clinton and the occupants were thrown out. The Chicago came down near London and the Illinois at Glen Island, near Belleville, the latter after lighting on the island was carried out into the Bay of Quinte by the wind. The occupants were rescued.

CHICAGO, July 5.—Colonel A. E. Muller and Geo. Schoeneck, aeronauts, who sailed in the French balloon Ville de Dieppe from Chicago yesterday in the endurance contest, came to earth near South Haven, Mich., during the night after having been dragged for miles along the surface of Lake Michigan. They saved themselves from drowning only by throwing overboard every available thing in the balloon basket and taking to the rigging. They returned to Chicago today by train. Muller was injured, but both were chilled and soaked to the skin.

The Fielding landed near West Shetford, Quebec, and the King Edward, Canada's entry, landed near Port Huron, Mich. The Chicago, of 10,000 cubic feet capacity, came to earth near Atwood, Perth county, Ont., this afternoon, according to a telephone message received in Chicago today. The occupants, C. A. Cozy and Captain G. L. Bumbaugh, were well. The United States landed a mile east of Pinkerton station, Bruce county, Ont., at 6:30 o'clock today. The Columbia also crossed into Canada, and while C. P. Leichter and Captain Martin Peterson managed to leave the air near Clinton, Ont., they were bruised and cut by barbed wire fences and trees, and both required medical attendance. The America landed at Carsonville, Michigan.

The occupants of the Cincinnati saw the disaster to the Ville de Dieppe, and landed in Covent, Mich., to advise the life saving stations of the accident. The pilots of the Cincinnati report that their craft was in good condition, but that they gave up the contest to aid Muller and Schoeneck. The Illinois dropped into the Bay of Quinte, near Glen Island, about five miles from Clinton, Ont. The occupants were rescued by yachtsmen and taken to Glen Island.

Cold air currents over Lake Michigan brought peril to other balloons than the Ville de Dieppe. Both the King Edward and the Illinois descended rapidly soon after the start, the former reaching the water, while the occupants of the Illinois were forced to throw out ballast repeatedly to keep away from the waves.

COLLECTIONS FOR
BATTLEFIELD'S FUND;
AMOUNT NOW IN

OTTAWA, Ont., July 5.—The Dominion central committee of the Quebec Battlefields Association announced that collections and subscriptions to battlefield's fund should be forwarded to J. M. Courtney, treasurer of the fund, not later than Wednesday next. So far about \$75,000 has been received in cash from the provinces of Ontario, Quebec, Nova Scotia and Alberta. The subscriptions from Ottawa, Toronto and Montreal are to be forwarded, the total of other subscriptions already announced approximately \$100,000. This leaves about \$100,000 still to be received from these cities and municipalities, Canadian clubs, etc., which had not reported to the treasurer. The total contribution from Montreal now amounts to over \$47,000, as compared with \$32,000 from Toronto.

OTTAWA, July 5.—Hon. George P. Graham will introduce in the commons tomorrow a resolution providing for the construction of a branch line of the St. John's railway to the Prince Edward Island.

WILL BUILD BRANCH LINE OF RAILWAY IN PRINCE EDWARD ISLAND

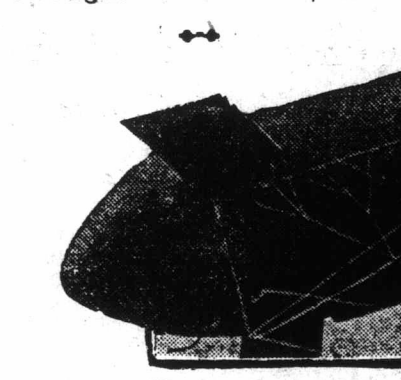

OTTAWA, July 5.—Hon. George P. Graham will introduce in the commons tomorrow a resolution providing for the construction of a branch line of the St. John's railway to the Prince Edward Island.

C. P. R. OPERATOR DROWNED

OTTAWA, July 5.—John Leary, a C. P. R. operator, 25 years of age, was drowned in Rideau River today while swimming. He was seized with cramps and sank before assistance could reach him.

NEW AIRSHIP MANOEUVRES

Count Zeppelin's War Balloon

The Zeppelin Airship

BERLIN, July 2.—Count Zeppelin's airship, which started from Friedrichshafen, on Lake Constance, at 8:30 o'clock this morning and started for another long trial trip. A telephone message was received from Lucerne at 1 o'clock in the afternoon saying that the ship was manoeuvring over Lake Lucerne.

Profr. Hergesell, of Strassburg University, a government expert, was on board.

Several officers of the military balloon corps also made the trip. The crew numbered twelve persons. The balloon returned to Friedrichshafen this evening after a most successful flight lasting twelve hours. While over Lucerne it descended from a height of 2,000 feet and hovered above the town within shouting range of the crowds of visitors and natives who turned out to see it.

An American girl cried, "Take me with you!" A uniformed officer aboard leaned over and shouted, "You come up!" but the balloon soon soared skyward again without the girl.

It manoeuvred around Burgerstock and the Pilatus Mountains, and then went to Zurich, where it dropped down and circled the cathedral. Thence the course was to Basel and home. The weather was very fine. The airship seemed to be as easy to manoeuvre as a bicycle.

NEW GOVT. IN PARAGUAY

Revolutionists Are
Victorious There
Their Own President Takes
Office—Fighting in
the Streets

BUENOS AYRES, July 5.—Avices received here today state that the revolutionists have been victorious in Paraguay and a new government has been established. These advices have been confirmed by a dispatch received by the Minister of foreign affairs from the Argentine legation at Asuncion officially notifying the Minister that the revolutionary party had succeeded in overthrowing the Paraguayan government and that several of the Paraguayan ministers of state had taken refuge in the legation.

The revolutionists have appointed Dr. Emiliano Gonzalez Navero president. He had the office of vice-president in the government which has just been ousted.

Unofficial dispatches that the new cabinet includes Manuel Gondra, the Paraguayan Minister to Brazil; Dr. Eusebio Tria, Dr. Alvaro Jara, Dr. Rigulino and Dr. Manuel Franco. These represent a combination of the two most powerful parties in Paraguay, the Liberal and Conservative, and it is believed that their appointment will insure early peace to the country.

The members of the former government, who include Manuel Benito, Minister of the Interior; Cecilio Baez, foreign affairs; General Rios, war; Adolfo Soler, finance; and Carlos Isala, Minister of Justice, it is understood, have taken refuge in the foreign legations.

Fighting has been proceeding in the streets of Asuncion for some days past, and many of the public buildings have been seriously damaged. Previous estimates of the killed and wounded, however, have been exaggerated, and it is now believed that the number will not exceed 500. It is expected that telegraphic communication with Asuncion will be restored tomorrow.

WARM WAVE IN
MONCTON CONTINUES;
MAN HAS LEG BROKEN

MONCTON, N. B., July 5.—While working at the new I. C. R. shops yesterday afternoon, an employe named Wetmore of Humphrey's Mills, fell from a building and had a leg broken. The warm wave in Moncton still continues. The thermometer yesterday went up to nearly ninety. A refreshing shower fell this afternoon. The count down had been in need of rain for the growing crops, which are reported excellent.

The police last night looked up a couple of men who were unable to give a satisfactory account of themselves. A girl charged with late street walking was also looked up.

MANY DEATHS
ON THE FOURTH

BOSTON, July 4.—Fourteen deaths from various causes and five dying in the annual record which New England contributes this year as its story of the Fourth. Of the deaths which were due directly to the celebration of the day there were but three, one in North Sunderland, one in Loomisville and another in Quincy, all caused by the use of the impromptu cannon. Two more are dying in Boston as the result of serious injuries, and a third, a Boston man, is in a serious condition at Northampton as the result of a runaway caused by the explosion of a cannon cracker under the horse he was driving.

At Sabago Lake, in Maine, four young people were drowned and a similar accident happened in Malden, where a young man lost his life. One boy was struck by a locomotive in Somerville, and a man was struck by lightning in Methuen.

Three suicides, two in Portland, Me., and one in Fall River, by shooting, laudanum and hanging, with the deliberate killing of one Italian by another in Lawrence, completes the list of the dead. The most startling catastrophe of the day was the collapse of the baseball bleachers in New Bedford, where one person was seriously injured and a score of others badly hurt.

WANT THE CATTLE EMBARGO REMOVED

Scottish Dealers See
No Other Remedy
Free Admission of Canadian
Cattle Would Mean Much
to Them

(Glasgow Weekly Mail).

Beef has gone up in price, and if we are to believe an expert it is only a matter of time before it will be found necessary to enforce a further increase. The only remedy for the present state of affairs, according to the National Federation of Meat Traders' Association, is that the present embargo should be taken off Canadian stock cattle, which would permit of the stock being brought into this country and fattened on British pastures. The rise of a penny in the pound is a serious matter to thousands of farmers whose weekly budget has to be framed on the most economical lines, and if another penny of an increase takes place many homes will require to do without their "Sunday joint." The British farmer is "Sunday joint." The British farmer is "Sunday joint."
