GREAT ENGLISH REMEDY!!—THE  
MOST VALUABLE CURE FOR SUMMER  
DISEASES IN THE WORLD!

HALSEY'S FOREST WINE!  
Fabricated by the Notable and Medicinal  
Firm of Halsey & Son.

MEDICINES containing Melsomes or Lop-  
wers, and other Medicinal Substances, require  
very great care to produce the slightest change  
in taste. The Forest Wine is altogether a different  
article. It is now so strong it is considered  
a distinct quality, and is equal to the best  
of all the plants of which it is composed.

The Forest Wine combines the  
WILD CHERRY, CHAMOMILE, FRI-  
GELLIUM, & SWEET ALMOND.

With other valuable plants whose properties are  
not yet known.

It is high concentration renders it one of the most  
efficacious Med cures now in use.

It is a powerful restorative, to strong and  
toughen the system, and improves the state  
of the health. The Forest Wine is recommended  
in the strongest terms, for all complaints of  
the stomach.

recovery. While in his decided opinion, your  
Friend, Dr. HAZELTON, recommended their  
Physician, by producing a certificate from their  
Hospital, in contradicition with the Analysis of  
the Stomach, for which the Plaintiff's  
Witnesses are uniformly recommended.

Yours, respectfully,

N. MATHEWS.
