The practical side of science is reflected in

A monthly publication of inestimable value to the student of every day scientific problems, the mechanic, the industrial expert, the manufacturer, the inventor—in fact, to every wide-awake person who hopes to better his condition by using his brains. The inventor, especially, will find in The Patent Record a guide, philosopher and friend. Nothing of importance escapes the vigilant eyes of its corps of expert editors. Everything is presented in clean, concise fashion, so that the busiest may take time to read and comprehend. The scientific and industrial progress of the age is accurately mirrored in the columns of The Patent Record, and it is the only publication in the country that prints the official news of the U. S. Patent Office and the latest developments in the field of invention without fear or favor.

IN "TYPHOID'S" TRAIL

Came violent Rheumatism and
more violent Neuralgia—Doc-
tors couldn't stem the disease
till—3 bottles of South American
Rheumatic Cure "gave
battle" and won gloriously.

Mr. W. W. Brownell, of Avonmore, Ont., says
that a few years ago he had typhoid fever. After
recovering was attacked most violently by Rheu-
matism and Neuralgia, he suffered so he thought
he would die. Many a night thought he could
not live till morning. Doctors tried to relieve
him but could not. After taking three bottles of
South American Rheumatic Cure every vestige of
pain left him and he was as well as ever. 4

HEART "STARTS"

Does the slightest effort excite
the Heart, quicken the
breathing, induce suffoca-
tion, fluttering, palpitation or
excruciating pain-spirasms?
You need no surer symptom
of disease for when the heart
"starts" the heart is sick.

Dr. Agnew's Cure for the Heart is a heart
specific. Under it's sway, any or all of these
sensations of distress will vanish like dew before
the morning sun. It is winning golden encomiums
every day as a never-failing treatment. One
dose gives relief in thirty minutes. A few bottles
will cure the most stubborn case.

ings that no man can de-
scribe—this is the experience
of thousands of Rheuma-
tism's victims.

Do you know that there isn't a case, no matter
how acute or how long standing, that South
American Rheumatic Cure will not relieve almost
in a trice and work a permanent cure. Its action
on a system so disordered is marvellous.
It works quickly, quietly, effectually,
easily, and leaves no bad after ef-
fect, not cure all diseases, but it cures
rheumatism.

PHILLIPSVILLE.

J. E. Baker is not having the best
of health this winter. He is unable to
get out of the house.

Stephen Stevens, of Delta, will
manufacture cheese at the Phillipsville
cheese factory this season.

Mr. Israel Sherman has been en-
gaged to manufacture cheese at the
Plum Hollow cheese factory for this
season.

Mr. Harmon Earl has his residence
nearly completed, John Frye, of Soper-
ton, is putting on the finishing touches.
Now where is the dove that is to
occupy it?

Wilson Chase has nearly all the
wood he requires for his Phillipsville
brick and tile yard, and is now getting
the wood on the ground for his brick
and tile yard at Delta.

Arch Stevens has a number of teams
hauling logs to the mill where they
will be sawn into square timber and
lumber for the purpose of erecting a
large bank barn the coming season.

Harley Elliott has returned from
South March where he has been
making cheese for the past year. He
intends taking a few weeks' instruction
at the Kingston Dairy School before
entering into this season's work at a
factory near Gananoque.

A hockey match, between the Elgin
kickers and the Phillipsville pushers,
was played on the Phillipsville rink on
Saturday afternoon. Phillipsville won
the game by one point. The young
ladies gave the boys an appetizing
supper at the conclusion of the game.

P. J. Downey will go to a factory
near Kingston this season. P. J. has
returned from the Kingston Dairy
School, where he spent a few weeks.
He says that no young or old cheese
maker should feel that he was fully
equipped for cheesemaking until he
had attended that institution.

This section has been called upon to
follow to the tomb another old resident
in the person of Thomas Kennedy,
who passed away on Thursday evening,
at 6 p.m., at the ripe old age of 82
years. He has been confined to his
bed all winter with no apparent disease
—just a wearing out. He leaves to
mourn his death a wife, three sons and
nine daughters, who were all at his
funeral. One son, who left home four-
teen years ago, is at present living in
Minnesota. The family have the sym-
pathy of their many friends and neigh-
bors. Six of the deceased's grandsons
bore the remains to the church and
thence to the vault for interment.

SOPERTON

Mrs. Robert Taber is visiting friends
in Sudbury.

Mrs. Arch Hudson has been quite ill
with la grippe.

The little daughter of Mr. Welt Earl
is also on the sick list.

Mr. and Mrs. Davis visited friends
in Greenbush recently.

Miss Maggie Johnson, Iroquois, is a
guest at Mr. E. J. Suffer's.

Miss Lucy Kelly spent Saturday and
Sunday at her home in Athens.

Miss Scovill, Lake street, is ending
a few days with her sister, Mrs. Hud-
son.

Mr. and Mrs. Sam Whaley, Delta,
were guests at Echo Hall on Wednes-
day last.

Mr. Henry Hollingsworth, Elbe,
paid a business visit to our town on
Thursday last.

Master Taber Jackson, Sunbury, is
spending a few weeks with his grand-
parents here.

A number from here entertained at
the Odd Fellows' "At Home" on
Friday evening.

Mrs. Wesley Towrie, Glen Boell,
spent last week among her many
friends, and relatives in this section.

Mr. Albert Nixon has returned from
his trip to Uncle Sam's domain.
Every one was pleased to welcome him
back.

Our popular citizen, Mr. John Reid,
has suffered several losses recently for
which his many friends are very sorry.
The loss of his dwelling house by fire
was succeeded by the loss of some fine
stock. This is indeed a set back for a
young man just starting in life but we
think Mr. Reid will be enabled to
overcome his difficulties as he is meet-
ing his losses with a manly spirit.

FRONT OF YONGE.

Miss Donnelly, of Kingston, is vis-
iting at the residence of Mr. Orm-
Gibson.

We imagine a wedding
came off in our
we see many de-
veloped

Mrs. A. Ferguson, widow of the late
A. Ferguson, is at present, very ill.
Dr. Beeman is in attendance.

It appears to us that young female
teachers, as a class, are very marriage-
able ladies. We can not vouch for
this being the case in every school sec-
tion, but in our rural village schools it
is quite noticeable that the female
teachers do not, as a rule, remain
single long after the time their en-
gagement expires. There are four
young school teachers in our minds' eye
who have married men in different
avocations of life, and whom it may be
said, are making husbands who can-
not be surpassed by those in any other
sphere of life.

ADDISON

Mrs. R. H. Field has been spending
a few days with friends in Brockville.

A number of our sports attended the
Ottawa races last week, and report a
good time.

Mrs. John Lathan, of Yonge Mills,
is spending a few days with her many
friends in this vicinity.

Mr. David Wiltse, of Smith's Falls,
will move into our village this week.
We extend a hearty welcome to Mr.
and Mrs. Wiltse.

The Rev. Mr. Lawson is holding
revival services in our church this
week. We hope much good may be
done as the Lord knows they need
enough of it.

Mr. George Earl and family will
leave us in a few days. Mr. Earl has
secured a good situation in Smith's
Falls. They take the best wishes of all
with them to their new home.

Mr. George Charlton has leased
"Fair View" cottage, at Mt. Pleasant,
and will take possession about the first
of March. He cordially invited his
many friends to make him a call as he
always has something to "swap."

Mr. Sidney Duncanson, of Silver-
Brook, leaves on the 18th for Toronto
as a delegate from the A.O.U.W.
lodge of this place. We congratulate
the society on sending so popular a
delegate from this place.

REAR YONGE & ESCOTT COUNCIL.

The council met at the town hall,
Athens, on Monday, 10th inst., at one
o'clock. Members all present.

Minutes of last meeting were read,
approved and signed by the reeve and
clerk.

A petition asking that municipal
councils have power to require owners
or occupiers of land bordering on pub-
lic highways to remove accumulations
of snow, obstructing travel, opposite
the land so owned or occupied, was
addressed to the Attorney General of
the Province.

A bonus of 25 cents per cubic yard
will be given for all stone crushed and
spread on the roads in the township
during the year 1902.

Councillors Breese and Joynt were
appointed to ascertain if Mrs. Baker
could be admitted to the General Hos-
pital, Brockville.

The auditors' report was received and
adopted.

Orders were given on the treasurer
as follows:—\$8 Barnes, for coal for
bridge in Div. 12, \$4 00; the Muni-
cipal World for blanks, \$6.17; Auditors,
each, \$5.00.
