HEALTH AND BEAUTY

COME FROM THE RICH, RED BLOOD MADE BY DR. WILLIAMS' PINK PILLS.

Beauty is more than skin deep—it is blood deep. There is no real beauty, no good health without rich, red blood. Every graceful curve, every sparkle of the eye, every rosy blush, comes from rich, red blood. Dr. Williams' Pink Pills are the greatest blood-builder and beauty-maker in the world. Every dose actually makes new, pure, rich blood. By making new blood Dr. Williams' Pink Pills sharpen the appetite, soothe the worried nerves, regulate the health. They banish paleness, clear the complexion, bring rosy cheeks and sparkling eyes. They give plenty of strong blood for all the delicate functions of womanhood. Miss Mary Jackson, Normandale, Ont., says: "For upwards of three years I suffered from anaemia. I grew so weak I could scarcely walk about the house. I had no color in my face, my lips and gums were bloodless, I suffered from headaches and dizziness and fell away in weight until I weighed only 94 pounds. No treatment gave me the least benefit until I began the use of Dr. Williams' Pink Pills. Inside of a few weeks after beginning the pills I began to grow better, and they soon restored my health, and while using them I gained fourteen pounds in weight. I can strongly recommend Dr. Williams' Pink Pills to all pale and feeble girls."

There are thousands of pale anaemic girls and women throughout Canada who should follow the example of Miss Jackson and give Dr. Williams' Pink Pills a fair trial. Bright eyes, rosy cheeks and perfect health would soon follow. When you buy the pills see that the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around each box. Sold by medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.
