

MONTREAL, July 24.—The Canadian Pacific Railway Company, which has been for some time past, endeavoring to secure the right of way for its proposed line from Montreal to the Gulf of Mexico, has been successful in securing the same from the Government.

LONDON, July 24.—The House of Commons, sitting in committee on the subject of the proposed extension of the London and North Western Railway, has decided to grant the extension of the line from the present terminus to the proposed terminus at the City of London.

ST. JOHN, July 24.—News was received from the Government of the United Kingdom, that the proposed extension of the London and North Western Railway, from the present terminus to the proposed terminus at the City of London, has been approved by the Government.

CHATHAM, Ont., July 24.—The three mile railway line for the transportation of lumber, between Chatham and Hamilton, was started at six o'clock today, in smooth water. Hamilton arrived at length in the first mile. It had pulled 31 strokes up to this point, but here Gaudin put on a spurt and passed Hamilton a length. These positions were maintained to the turning point on the return journey. Hamilton worked hard, but did not hold his competitor, who came in a easy winner by seven lengths, in 10.

Hamilton has notified the stake holder, to pay over the stake money, claiming that in replacing the stake, he had bought the course changed, and this caused his defeat.

ST. JOHN, N. B., July 24.—Fire at Shelburne on Saturday burned the Union and Thea's hotels. Abercrombie's residence and office, Dr. J. H. White's residence and office, the Methodist church, and an estate owned by Mrs. Thea and lived in by Mr. Kemp, the English oyster expert. The burned district covers the section between the railway crossing and the river.
