## Local Happenings.

Items of Local Interest Carefully  
Prepared by the Gazette's  
"Man About Town."

DENTISTRY.—Dr. H. E. Byles, dentist,  
is at the Hotel Dingee where he is prac-  
tising his profession.

REPAIRING.—Mr. G. A. Williams is  
repairing the DuVeret house lately  
purchased by Mr. Isaac Fox. The latter  
expects to move into it this fall.

NO SERVICE.—There was no service  
held in either church here on Sunday  
evening owing to the storm.

KILLED A DEER.—Steve, the Indian,  
killed a deer on Monday. He also  
wounded a pure white deer and expects  
to capture it to-day.

ONE MONTH IN JAIL.—At Fredericton,  
on Friday last, an Indian was sent to jail  
for one month for killing a moose this  
side of the St. John River.

ORFUY.—James Edouard, an old  
and respected resident, at Gary, Sunbury  
Co., is dead, aged 83 years. Deceased  
drove her majesty's mail for many years.

APPOINTED SHERIFF.—D. Beverley  
Hendry, of Norton, warden of the munici-  
pality of Kings county, and stipendiary  
magistrate for the parish of Norton, has  
been appointed sheriff of Kings county  
to fill the vacancy caused by the death  
of Sheriff Freeze.

IMPROVING.—Thos. E. Bridges, of  
Sheffield, who was admitted to the Vic-  
toria Hospital last week suffering from an  
attack of blood poisoning, is progressing  
favorably, and seems to have passed the  
danger point.

BOAT STORM.—The Star, Olivette  
came down from Fredericton on Satur-  
day, she being the last boat of the Star  
Line. The Weston did not come up on  
Saturday. The river is still free of ice  
and the reason for the steamers stopping  
before the closing of navigation is a mys-  
tery. The mails were transferred to the  
stage route on Saturday.

S. S. MONTICELLO'S LAST TRIP.—The S. S.  
City of Monticello made her last trip  
to Cape on Monday, but will return  
before going to St. John for the winter.  
During her trip on Thursday she went  
around a mile west of New Carlisle,  
getting off about two o'clock Friday.  
Owing to the fog on Saturday she did not  
get to Dalhousie till Sunday.—Campbell-  
ton Telephone.

FATAL ACCIDENT.—A most distressing  
accident, by which Bedford Allen, of  
Bayside, lost his life, occurred at Ray-  
worth's Upper Cape factory Saturday  
morning. Young Allen was attending  
the engine, and in getting sawdust for  
the fire he got under the edge saw,  
which hit him, splitting his head open.  
He died in a few minutes. Allen was  
only about 15 years old and was a steady,  
hard-working boy. He is a son of Geo.  
L. Allen of Bayside.—Moncton Times.

SPECIAL NOTICE TO THE PUBLIC.—War  
or no war I am still in the front rank in  
fitting trim, having lately secured the ser-  
vices of Mr. J. A. McKinnon, a late gradu-  
ate of New York. I am now fully prepared  
to give my numerous customers a first  
class fit, workmanship unexcelled, style  
perfect, and prices that will astonish you.  
I respectfully invite you to call and in-  
spect my large stock, no trouble to show  
goods and give you quotations at Joseph  
Walker's, Merchant Tailor, second door  
above People's Bank, Queen Street, Fred-  
erickton, West End.

GEORGE DEWEY WILLIAMS.—Geo. G.  
Williams has full and ample reason for  
the large broad grin of satisfaction that  
illuminates his countenance. A baby  
boy that tips the beam at sixteen pounds,  
came into the world at his home on Gar-  
field avenue this week. The mother and  
child are doing nicely. The youngster  
will be christened George Dewey  
Williams, after the famous victor of  
Manila, and George expects to see him a  
living duplication of his illustrious name-  
sake.—The Maritime, Wis. Daily Eagle,  
Oct. 6.—Mr. G. G. Williams is a son of  
Mr. G. A. Williams of this town.

SUNDAY'S STORM.—A regular old time  
storm set in here on Sunday morning.  
The wind was from the north east and  
blew a heavy gale. The snow was piled  
in some places and in other places it was  
completely blown off. The wind did con-  
siderable damage and trees are across the  
roads in several places. On account of the  
bad condition of the roads Mail Car-  
rier Thompson had not arrived at office  
closing hour on Monday night.

COOK'S NEW BLOOD PILLS.

BARN BLOWN DOWN.—Mr. John  
Gannon's barn, in course of construction,  
was blown down by Sunday's gale. The  
frame was all up and partially boarded in.  
This is quite a loss to Mr. Gannon as a  
number of the frame sticks are badly  
broken, as are also the boards used for  
boarding in the building.

SEVERE STORM.—The storm of Sunday  
seems to have been universal. Telephone  
and telegraph wires were badly interrupt-  
ed all through New England. Chim-  
neys were blown down in St. John and  
other places. In Boston Harbor thirty  
schooners and barges were wrecked and  
twelve lives lost. The storm in New  
England was only exceeded by the hurri-  
cane of 1891.

CHAMPION DUCK SHOOTER.—John  
Bartlett of Margerville, is without doubt  
the champion duck shooter of Central  
New Brunswick. Up to the present time  
this season he has succeeded in bagging  
no less than eighty of these crafty birds,  
which is somewhat below the usual aver-  
age for a season. Mr. Bartlett is now  
approaching the three score and ten mark  
but his eye seems to be as keen and his  
aim as accurate as ever. Among his  
most notable achievements with the gun,  
is the killing of eight ducks at one shot,  
out of a flock of eleven on the wing, and  
eleven out of a flock of thirteen setting on  
the water.—Herald.

ARMSTRONG-MCMULLEN.—A very neat  
wedding took place at Lawfield, on Wed-  
nesday evening last, when Mr. John Arm-  
strong, of Summer Hill, was united in  
the bonds of wedlock to Miss Amelia Mc-  
Mullen, daughter of the late Edward Mc-  
Mullen, of Lawfield. A goodly number of  
the friends of the bride and also of the  
bridegroom were in attendance. Need-  
less to say the bride was tastefully dressed  
and looked very nice in her bridal garb.  
The marriage took place at 7 o'clock and  
the ceremony was performed by the Rev.  
Neil McLaughlin of Gagetown. A large  
table stood in the room where the mar-  
riage took place piled up with beautiful  
and useful presents. Tea was served at  
8 o'clock. Shortly after tea while Mrs.  
McLaughlin was rendering a march on  
the organ a number of serenaders  
stole quietly to the house and suddenly  
made such terrific noise as to drown the  
music within. The serenaders were in-  
vited into the house and wished the bride  
much joy and congratulated the groom.  
They were then treated and after the ex-  
change of some pleasant remarks and of  
kindly feelings in general the serenaders  
retired after giving three cheers for the  
young couple. Miss McMullen was a  
general favorite and her presence will  
be much missed at Lawfield and also at  
Gagetown where she is well and favor-  
ably known. We congratulate Mr. Arm-  
strong upon his choice.
