The Reserve Dividend system
Is one more step in the march of progress. Presented only after mature thought, it invites the test of the severest scrutiny. Its chief merit is its PERFECT ADAPTABILITY to the wants of insurable lives. The RESERVE DIVIDEND and RESERVE ENDOWMENT POLICIES originated and published by the Company's Actuary, under copyright in 1869. The principle involved renders every form of insurance a provision in life. It converts an ordinary life Policy, otherwise payable only in the event of death, into a CASH ENDOWMENT, MATURING EVERY TEN YEARS.
