RESTIGOUCHE LUMBER CUT

That the lumber cut on the Restigouche this season is 25 per cent. greater than last year and amount to 100,000,000 as compared with about 75,000,000 feet last year. There are 2000 men in the woods west of Campbellton, and if conditions had been more favorable at the early part of the season the cut would have been even greater than it will now pan out.

-FOR HIS INJURIES

Moncton Transcript: As a result of damage received by being struck with a street car some months ago in St. John, Mr. Justin Gallagher, of this city, Tuesday, received a cheque for twenty-eight dollars. At the time of the accident Mr. Gallagher had alighted from the car and was walking round the car when he was struck by another car and thrown to the ground with the result that he was confined to the hospital for three days.

THE LATE SENATOR BAKER

Hon. George Bernard Baker was born at Dunham, Quebec, Jan. 26, 1834, and was therefore 76 years of age at the moment of his sudden death at Montreal on Wednesday. He was descended from old United Empire Loyalist stock, and has been closely identified with the development of the Eastern Townships. He sat in the House of Commons from 1870 to 1874, and from 1878 to 1887, and from 1891 to 1896, in which year he was called to the Senate. In politics Senator Baker was a Conservative and he was a member of the Anglican church.

GRATTAN—LOGGIE

The wedding of John W. Grattan and Miss Ida J. Loggie, of New Jersey took place in St. Bernard's church, Neguac, on Sunday afternoon, Feb. 6th. Rev. Father Guavin performed the ceremony. The bride was becomingly attired in a princess suit of grey crepe de chene and black picture hat. Miss Grace O'Brien was maid of honor. The groom was ably supported by William C. Fayle. After the ceremony the bridal party drove to the home of the groom, where supper was served to a number of relatives and friends. The bride was the recipient of many handsome and useful presents, which testified to the esteem in which they are held.

ASH WEDNESDAY

Special services were held in the Episcopal and Roman Catholic churches last Wednesday, it being Ash Wednesday and the commencement of the Lenten season.

LUMBERING

Mr. W. J. Scott returned last evening from Jacquet River on the North Shore where he is carrying on a lumber operation this winter. He says that the snow in the woods there is two feet deep and that conditions are excellent. Mr. Scott's operation this winter is about two and a half or three million feet, it is understood.—Gleaner.

THE ROYAL CHEF

"The Royal Chef" the big musical comedy by Ben M. Jerome which is to be staged for Friday Feb. 18th, is described as one of the fastest and swiftest comedies ever set to music by this distinguished author. It is different from the majority of its kind and so original in its construction that all New York and Chicago poured en masse to see it. Its phenomenal runs in these cities has given it great prestige.

LEGISLATURE TO OPEN

Arrangements are being rapidly completed for the opening of the third session of the fifth Legislature of New Brunswick at Fredericton on Thursday next, Lieut. Col. W. M. Humphrey, D. O. C., of St. John, has issued the orders for the military display in connection with the ceremonies at the opening of the Legislature. The guard of Honor for the occasion will be furnished by H. Company, R. C. R. while the 71st Regt. Band will furnish the music and the 12th Field Battery of Canadian Field Artillery of Newcastle, will furnish detachment to fire the salute of fifteen guns on the arrival of the Lieutenant Governor to open the House.

LENT

Lent comes unusually early this year. Last Wednesday was Ash Wednesday, and March 27th will be Easter Sunday. The earliest date on which Easter could fall would be March 22nd. Easter is celebrated the Sunday following the full moon, which falls either on 21st of March (which was looked upon when the decree was made as the day of the equinox,) or on the days following to the 18th of April. Hence, if the full moon falls on the 21st of March and that day be a Saturday, the next day will be Easter Sunday. If it falls on the 20th, this moon will not be considered the paschal moon; the next full moon only, which will be on the 18th of April, can be reckoned such. Should the 18th of April be a Sunday, Easter would be the Sunday following, or the 25th of April. Easter, then can be no later than the 25th of April nor earlier than the 22nd of March. All the days of Lent, except Sundays, are fast days. By special dispensation the use of meats is allowed once a day at the chief meal on Mondays, Tuesdays, Thursdays and Saturdays.

"THE ROYAL CHEF"

"The Royal Chef" held forth at the Grand last night, and for two hours handed out dish that was palatable, and administered in doses that pleased a fair sized audience. The play, in spite of age, is as popular as ever. The music is tuneful and well sung by an evenly balanced and well dressed chorus. The cast was up to the standard, and several old faces being seen. Walter A. Boham, as the Chef, was the principal fun maker, and was as eccentric as ever. Miss Wilson carried off the honors among the feminine members of the cast. She is winsome and winning, and captured the audience from her first entrance. The chorus was snappy and well trained, while the scenery and electrical effects were up to the standard. A pleasing feature of the performance was the singing of "Oh Canada," the new national anthem. This was the first time that the beautiful number was heard here, and the audience did not grasp what it was at first. The anthem is delightful and was well sung. London, Ont., Free Press.

GREAT DEAL OF SPACE

The mainland publications are devoting a great deal of space to the story of Miss Cheverie of Harmony, who is credited with supernatural proclivities. This girl who is now in Faleonwood, has shown none of her hypnotical tendencies since her removal to the hospital. Many of the reports published are quite startling and that a story loses nothing in transmission is proven conclusively by the perusal of some of the reports given to the public.—Charlottetown Guardian.

THOMAS HOSKINS' NERVES.—Mr. Hoskins, a resident of Durham, Ont., for a score of years, was a martyr to stomach and nerve disorders. Schooled to prejudice against "patent medicines," he started using South American Nerve as, he says, "a last resort," but six bottles of this great remedy proved to be his salvation physically. It can be yours. Sold by A. E. SHAW'S Pharmacy.—121

If I can stop one heart from breaking,
I shall not live in vain,
If I can ease one life the aching
Or cool one pain,
Or help one fainting robin
Into his nest again,
I shall not live in vain.

HALLEY'S COMET

Ottawa, Feb. 8.—The Dominion observatory got a glimpse of Halley's comet through the big telescope. The camera is stronger than the human eye when it comes to picking up heavenly visitors, and several photos have already been made. The Dominion observatory people say that Halley's comet still looks like a small misty ball when seen through their telescope. It is not yet sharply defined, and reports from observatories equipped with larger telescopes are to the effect that there is just a suspicion of a tail now. It will be when the tail gets in the full focus of the sun that the tail will begin to appear, but it will be between April 15, and May 1 that the comet will be visible to the naked eye.

Not Coughing Today?

Yet you may cough tomorrow! Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. Your doctor's approval of its use will certainly set all doubt at rest. Do as he says. He knows. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass. Robust health is a great safeguard against attacks of throat and lung troubles, but constipation will destroy the best of health. Ask your doctor about Ayer's Pills.

PLEASANT SOCIAL

A very pleasant social, under the auspices of the "Ladies Aid," was held in the vestry of the Methodist church Thursday evening and was largely attended, there being between eighty and one hundred persons present. A number of amusing games were played and a vocal quartette, "Sweet and Low," was rendered by Mr. and Mrs. W. J. Dean, Miss Edith McLean and Mr. Fred Henderson. A choice selection of home made candy was for sale. Two selections from Drummond, read by Mr. Fred Henderson, were very much enjoyed, after which, the appetites of the guests did justice to some very tempting refreshments provided by the ladies. Plain Talks to Women.

Children's Skin Troubles, Cuts, Etc.

Every healthy child gets them, and every mother has to "put something on." What do YOU put on?

When you put an ointment on to a child's skin it gets into the blood through the pores just as surely as if you put it into the child's stomach. Did you ever think of that? How important, therefore, that the ointment or balm should be pure!

Zam-Buk is absolutely pure; contains no animal fat; no mineral coloring matter; no acid astringents; no burning antiseptics—yet it is antiseptic! It is purely herbal, and this meets all the needs of the skin in that superior and all-powerful way in which nature alone provides.

Children like Zam-Buk best because as soon as applied it stops the pain and the smarting of the injury or sore place. Healing then sets in immediately.
