TRIBUTE OF RESPECT TO LATE MRS. T. A. CLARKE

The Methodist Church was filled to overflowing on Sunday night July 29th to pay a last tribute of respect to Mrs. Annie J. Clarke, wife of Mr. Thomas Clarke, who died on Tuesday July 24th. Mrs. Clarke was a most active worker in the Methodist Church and the evening service was given over as a memorial service of recognition of her untiring efforts on behalf of the church. The Pastor Rev. A. W. Brown, occupied the pulpit, and the Church was very prettily draped with white flowers and greens and on the altar rested a beautiful bouquet of carnations sent in remembrance by the N.B. and P. E.I. Conference of the Women's Missionary Society.

Rev. Mr. Brown spoke very feelingly of the loss sustained by the church in the passing of Mrs. Clarke and her place in the community will be hard to fill. The choir sang several favorite hymns of deceased and Miss Elith McLean and Mr. Guyon Mercereau rendered solos, after which a resolution of regret and condolence was moved by H. D. Atkinson and John R. Allison and passed by a standing vote.

NEWCASTLE TRIMMED BY DOUGLASTOWN

"Somebody is always taking the joy out of life" and usually "it is the unexpected that happens." Such was the case last Tuesday evening when the Douglastown team defeated the locals in the Farrell Field by a score of 5 to 1. It was a sad spectacle for the local fans to see their team go down to defeat at such a critical time in the standing of the league. Just another case, where it is not well to be too confident. Neither local players or fans thought for a moment that they were going to lose, but the Douglastown team played a game full of pep from start to finish. The locals played hard to overtake their opponent's lead, but were unable to do so. They were handicapped however, by several of their regular players not being able to take part in the game. A great deal of enthusiasm was displayed on the part of the fans and when the game was called at the end of the sixth inning, many with sorrowful faces could be seen slowly wending their way out of the field. Such is the way of the baseball game and the bitter must be taken with the sweet. If the locals defeat Chatham in their postponed game and win all their remaining scheduled games they would then be tied with Chatham for league honors. If such happens it would be worth while, as a game to decide the winners between Chatham and Newcastle on neutral ground would be a big drawing card and a fitting close for this year's season.

NEWCASTLE BRANCH OF THE CANADIAN RED CROSS SOCIETY

SAY DEATH DUE TO A NATURAL CAUSE

That the death of Frank Kennedy of Nelson was due to natural causes was the finding of the jury empanelled by Coroner B. M. Marven, M.D. at the inquest held Saturday afternoon. There was nothing in the evidence given or in the finding of Dr. Abramson, provincial pathologist to warrant a different verdict. Witnesses heard were Mrs. Jane Kennedy, wife of the deceased; Thomas Galley, Hazel Kennedy and Dr. Delaney and Dr. J. E. Park, who made the post mortem examination. Both Mrs. Kennedy and Galley who were present at the time of death, told practically the same story. Kennedy had complained of a chill and a sore throat early in the evening. Galley tried at intervals during the night to obtain a doctor but was unsuccessful. Hazel Kennedy, eleven year old daughter of Mrs. Kennedy was sent to Newcastle and returned with pills and a gargle prescribed by Dr. Park. The taking of this pill, a purgative, was followed by severe spasms and evident choking. The pill was given to Kennedy about 11:40 o'clock and he died on the floor of his bedroom about midnight.

Dr. Delaney of Chatham, who made the post mortem examination, found the heart, liver brain and lungs of the deceased in a normal, healthy condition. No evidence of swelling of the throat, either externally or internally could be discerned. This examination was made on July 26. Dr. Park, of Newcastle, who assisted at the post-mortem examination and who arrived at the Kennedy home about 12:45 a.m., July 15, could not find any inflammation of the throat. The finding of Dr. Abramson was read by the coroner. The cause of death was diagnosed as acute inflammation of the larynx. No evi-

NEWCASTLE DEFEATS LOGGIEVILLE 12-3

In probably one of the most one-sided games of this year's fixtures Newcastle defeated Loggieville in the Farrell Field last evening by a score of 12 to 3. In the first inning the locals blanked the visitor and in their half tallied two runs. In their half of the second Loggieville tied the score making it 2-2. In the locals' half of the second Ryder opened up with a home run bringing in two with him. Ingram hit for a three bagger and Graham made a two bagger at opportune moments, with the result that the inning was a "merry go round," the locals making in all eight tallies, making the total 10-2. This settled the result of the game and both players and fans lost interest. Loggieville failed to score in their half of the 3rd, 4th or 5th but one player made a home run hit in their 6th giving them a total of three. Newcastle got 2 runs in their 3rd, but failed to score in the 4th, or 5th. Craik pitched an excellent game for the locals and was given good support. In the 6th Craik let one man go down on 4 balls, the only one in the entire game. The locals batted well and had no trouble in ending the deliveries of Loggieville's twirler. Wm. Ashford umpired balls and strikes to the satisfaction of both players and fans. About 600 fans were in attendance. The locals go to Loggieville tomorrow night and play in Nelson some evening next week.

dence of strychnine poisoning was found in the stomach. The jury was made up of William Johnston, foreman; Robert McCombs, G.P. Vye, Michael Lynch, William Braken, John Sullivan and Frank Lorien.

New Canadians Start For Canada

A Busy Scene at the Liverpool Dock.

THE facilities for handling outward bound passengers at the Canadian Pacific dock at Liverpool, England, are as perfect and speedy as any in the world. As will be seen from the picture above of future Canadian citizens boarding the "Montcalm", the travellers pass from the street and railway station levels to waiting rooms on the dock side, and crossing the bridged wharf, board the ship by the saloon deck where they are received and assigned to quarters. Their baggage is handled from below and with despatch. A travelling belt carrier operated by an electric dynamo eliminates the necessity of many noisy and slow moving winch hoists which, when used and not too carefully operated, are the cause

of many trunks and boxes being damaged, so that the baggage is carefully loaded and distributed almost as quickly as the passengers are received. It is usually planned to have all the passengers aboard at least half an hour before sailing time, and the gangway is down for their reception about three hours before that time unless special trains are scheduled to arrive earlier.

As for other dock-side facilities, the Montcalm commenced to take on coal and discharge cargo, mostly package freight, at six o'clock of the morning of a recent arrival. By 2.46 in the afternoon she had taken 1,000 tons of coal into her side bunkers, and at the same time she was unloading 1,700 tons of freight, this being discharged by 7.16 the same evening.

Graduation Exercises Of The Miramichi Hospital Training School

A very representative audience gathered in the Assembly Hall, Harkins' Academy, Monday evening, July 30th to do honor to the Graduating class of the Training School of Miramichi Hospital.

The graduates were the Misses Ma Walls, Saidie Walls, Annie McNaughton and Blanche Cameron, who most successfully completed the course which now includes three months training in the Montreal General Hospital.

The flowers used in the decoration of the stage were given by the choir of the Methodist and Baptist churches and the whole setting was most attractive.

The program was very pleasing and was as follows:

Piano Duet—Misses McEvoy and Richards.

Address of Welcome—The President, Mr. Burchill.

Solo—Miss McLean.

Address—Mayor Creaghan.

Solo—Mr. Gulliver.

Address and presentation of Diplomas—Mr. G.P. Burchill.

Presentation of bouquets to Miss Kaye and Graduates—Miss Rosamond Crocker and Master Roland Crocker.

Solo—Miss E. Nicholson.

Address—By special request of the nurses, Dr. Nicholson. God Save the King.

The accompanists were Miss Crocker and Mr. Liscombe.

The addresses were appreciative of the good work accomplished by the graduates and nursing staff, and of the untiring devotion and regret that our Superintendent is compelled to resign to take a much needed rest.

The musical numbers were delightful and received encores to which each one graciously responded.

The student body and their friends were afterwards entertained at the Hospital where a pleasant social hour was spent.

The presentation of bouquets deserves special mention so well did our young friends Miss Rosamond and Master Roland Crocker do their part.

In the afternoon the nurses enjoyed a car ride, after which Mrs. B.F. Malby and Mrs. O. Nicholson served tea at Mrs. Nicholson's.
