In its twenty-six years of public
service, this Dental Office has
never once refused adjustment of
any complaint.

We are human and at times, small
mistakes occur despite every pre-
caution taken. When this does
happen, we honestly admit our
error and lose no time in correct-
ing it.

We mention this merely to demon-
strate that the painstaking care
we give to our patients does not
cease when payment for service
is made, but continues until the
patient is thoroughly satisfied and
pleased.

Accepting us to act as your Den-
tist carries with it the full assur-
ance that you will be treated
thoroughly to your liking—in the
most modern ways of Dental
science and at costs that will ap-
pear to you for their moderation.

Until you are satisfied—no Den-
tal service rendered by this office
is considered closed. Our prices are
the lowest. Canadian money ac-
cepted by us at full value for all

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur it Darkens
so Naturally, Nobody can Tell.

The old-time mixture of Sage Tea
and Sulphur for darkening grey,
streaked and faded hair is grand-
mother's recipe, and folks are again
using it to keep their hair a good,
even color, which is quite sensible, as
we are living in an age when a youth-
ful appearance is the greatest ad-
vantage.

Nowadays, though, we don't have
the troublesome task of gathering
the sage and the mussy mixing at
home. All drug stores sell the ready-
to-use product improved by the ad-
dition of other ingredients, called
"Wyeth's Sage and Sulphur Com-
pound." It is very popular because
nobody can discover it has been ap-
plied. Simply moisten your comb or
a soft brush with it and draw this
through your hair, taking one small
strand at a time; by morning the
gray hair disappears, but what de-
lights the ladies with Wyeth's Sage
and Sulphur Compound is that, be-
sides beautifully darkening the hair
it has a soft luster and appear-
ance of abundance which is so at-
tractive.

St. Lawrence Waterway Man Is Appointed

OTTAWA, April 14—Hon. J. D.
Reid, Minister of Railways and Can-
als, has announced that Mr. W.
A. Bowden, B.A.Sc., M.E.I.G. chief
engineer of the department, has been
selected by the Government of Can-
ada to act as Canadian consulting
engineer in the reference to the In-
ternational Joint Commission of the
question of the further improvement
of the St. Lawrence River between
Montreal and Lake Ontario.

The Government of the United
States is also a party to this refer-
ence, and each Government under-
took to appoint from its official en-
gineering personnel an engineer to
confer with a similar officer of the
other Government in the acquiring
of engineering data, the making of
necessary surveys, and the comple-
tion of outline plans and estimates
of the cost of the proposed improve-
ment. In conformity with this ar-
rangement, the United States Gov-
ernment has appointed Lieut. Col.
Wooden, a member of its permanent
Government Service, the other cor-
responding position on the United States
side.

The reference to the Commission
is in the form of a series of ques-
tions, the chief of which is:

What further improvement in the
St. Lawrence River between Mont-
real and Lake Ontario is necessary
to make the same navigable for deep-
draught vessels of either lake or
ocean-going type; what draught of
water recommended, and what the
estimated cost?

In answering this question, the
commission is requested to consider:

(a)—Navigation interests and
whether by the construction of locks
and dams in the river by side canals
with the necessary locks, or by a
combination of the two.

(b)—The combination of navigation
and power interests to obtain the
greatest beneficial use of the waters
of the river.

Other questions deal with the ap-

portionment of capital cost to each
country, as well as cost of operation
and maintenance and method of con-
trol. The possible effect on the St.
Lawrence ship canal below Montreal
is to be studied as well as ice con-
ditions, also what improvement may
be expected of the resources, com-
merce and industry of each country,
as well as of traffic.

The commission intends to conduct
public hearings in both countries to
bring out information bearing on the
physical, commercial and economic
aspect of the project. An itinerary
is under consideration, and hearings
will probably commence about May 1.
Engineering plans and estimates are
to be submitted to the commission
as soon as practicable, but not later
than one year from date of appoint-
ment of the engineers, and the com-
mission is requested to forward to
the two Governments its final report
not later than three months there-
after.

No delay is anticipated from the
Canadian standpoint. As a matter
of fact, it is understood that Mr.
Bowden already has tentative plans
well advanced.

tleship Renown.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION,
BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, AGNE, SKIN DIS-
EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.
The knowledge gained from many years' experience in treating diseases just like yours is of much benefit
to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that
he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every pa-
tient the benefit of the knowledge acquired through the long experience of a graduated, licensed and regis-
tered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION
A CONDITION AFFECTING MANY MEN—THE GREAT AM-
ERICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-
NER OF LIVING—OUR WORRY AND HURRY—AMER-
ICANS EXHAUST MORE NERVOUS ENERGY THAN ANY
OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their
nervous system. These men do not know what is the reason they
don't feel right—why they can't work like they used to—why they
tire so easily and why they are irritable, nervous, despondent,
weak, pale and lack ambition. These conditions require the ex-
pert knowledge and treatment of a specialist who has had many
years' experience in just such ailments. A specialist learns by
experience to know just the right treatment at the right time so
that the patient can be dismissed at the earliest possible time. Men
affected with nervous exhaustion have no endurance—no ambition
—everything they attempt is an effort. Life to them appears as a
long, gloomy future. Their appetite is poor and variable—they be-
come irritable, cross and discouraged. They have pains and aches
in various parts of the body and there is often indigestion and
pains in the stomach. Sleepless, wakeful and restless nights fol-
low.

RHEUMATIC AILMENTS
SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMB-
AGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL
CONDITIONS IN ANY PART OF THE BODY—INFLAMED
AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY
OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumat-
ism. Many of these men go from day to day suffering untold ag-
onies thinking they cannot be cured. They have tried liniments, rub-
bing, massage, salts and other treatments without experiencing
any relief, and they are now going through life thinking they
are martyrs to that burden called Rheumatism. If these men could
only know how easy it is to get rid of many rheumatic conditions
I know they would not suffer another single day. Then all suf-
ferers of rheumatism would be strong and healthy if they could
get rid of the condition. Rheumatic patients are nearly all strong
and robust before being attacked by this ailment, and therefore
it is so hard for the man to understand why he should suffer the
agonies of such a condition. When a man gets rid of such a condi-
tion he feels that a heavy burden has been lifted from his life, and
he starts right out to make up for lost time both in money and
pleasure. When a man comes to my office suffering with the
above condition he is given a most careful examination, and he is
given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man
BLOOD YOUR WHOLE HEALTH OF BODY AND MIND DEPENDS ON YOUR BLOOD. Any
