that Mr. Cameron's street, that Mr. Cameron's street, and sometimes manufactur tharges baseless. In 1886, folm Macdonald, the late its, Mr. F. r and Sir John made a tour of Oatario, and res of their speeches they, the mist, the Minister of Justicially Mr. White, did ample fr. Cameron and his sland white did in Nova Scotia answick Now, after five yearon has taken the opportume the discussion. He con the Oatario speeches were were the discussion. were substantially observed with the was still able to suppor This he attempted to do in reten of his charges.

Sir John Thompson replied Cameron today, taking up hated charges and showing it were still entirely in conflict official reports which Mr. pretended to quote. For where Mr. Cameron sale that hament agents had reported the Indians had died of starva Thompson showed that the oport represented seven of then died through excessive use of in spite of all efforts to kee from them. Referring to the contact the ministers had attacke his own county behind his Thompson showed that the had be n only a few hours in the contact of the county and that Mr. had all the rest of the year Moreover, it was not true, as eron said, that the minister dumb in Parliament during the session that he made his against them. Sir John Mr. Cameron made his against them. Sir John Mr. Cameron had occasion adopted the same clowed today in moving his without giving notice. He tacked Sir John Macdonaid hack when the Premier was Sir John when he returned ment took occasion to contact the contact of the contact o
