We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor

If you wanted a Suit or an 'Overcoat 'would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine !!!]
We study the business: We know what suits a young man

we knowwhat suits a middle-aged man, and we know what suits the old gentleman both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcost leave our establishment until it suits and fits the mar who is buying. Our prices are always eight when you take the quality into consideration.

Do not forget that we are sole agents for the famous W. H. Leishman & Co., Wholesale Gustom Tailors. We have an elegant stock of Overcoats to show you at the present time.
