### Hurt by Run'way

In driving to his home on Blackmarsh Road, accompanied by his wife, yesterday, Mr. John Neville, cabman, narrowly escaped being killed and received nasty cuts on the face and several ugly bruises. The road is filled with holes and ruts, a tribute to the neglect of the "split" Government, and the horse, a spirited one, bolted and threw Mr. Neville from his seat to the road. He held on to the reins, and though he succeeded in stopping the horse, was badly cut about the face as he was dragged some distance. Just previous to the animal bolting, Mrs. Neville left the carriage preferring to walk. When the horse was soothed and quieted Mr. Neville drove home and had his wounds attended to.

INDIGESTION and  
DYSPEPSIA

It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headaches. I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing." "I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a feeling of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems not worth living."

Why suffer from all these symptoms? when STAFFORD'S PRESCRIPTION 'A' will cure you.

Try a bottle.

Yesterday afternoon a lad named Harvey, son of Fire Const. Harvey, of the Western Station, came to the lockup and reported to Supt. Grimes that another boy on the South Side, while both were getting flippers, had used a knife on him. The lad's clothing was split with the instrument, which was a very sharp one, and the wonder is that the boy's flesh was not cut. Supt. Grimes took his statement of the matter and the lad's aggressor will be summoned.
