THE IMPERIAL OIL CO., LTD.

Gentlemen,—With reference to POLARINE OIL, we desire to say that we operated six Winton Six-Cylinder Cars on the Cariboo Road in 1912, and these Cars travelled 82,430 miles during the season.

We used POLARINE exclusively, and found it superior to any other oil which we had previously tested, and while the cars were operated under all sorts of climatic conditions, we were so well pleased with the results obtainable from the use of POLARINE OIL, that we propose to use nothing else on the eight Winton Cars which we will operate this year.

Yours very truly,

BRITISH COLUMBIA EXPRESS COMPANY,
