## Sir Robert Replies To Infamous Reports.

Special Evening Telegram.

LEWISPORTE, To-Day.

In view of the infamous reports published by the Government newspapers as emanating from this district, I feel it due to the electors throughout the country to announce that, having completed my canvass, I can confidently assert that Notre Dame Bay will return three Liberals with overwhelming majorities, and I doubt if the opposing candidates will save their nomination fees.

R. BOND.

## More Lies Nailed.

Message to E.P.T. Local Council at Greenspond.

"Sagona's passengers report hundred left your Council. Wire immediately, if this is true."

(Sgd.) Advocate.

ANSWER: "Greatest lie ever uttered. Connected to injure us but will surely fail. Seven joined Saturday night; ten previous night; men still eager to enroll. All their plots will fail. J. B. Wornell, Chairman. Robert Hiscock, Edward Easton, William Harding, John Burgess, Jos. Pond, Wm. Pittman, Herbert Barry, Sandy Barry, and three hundred others."

A LATER MESSAGE. "Union men here mad over report. Weak-hearted Unionists made strong. Rum, whiskey and berths to the ice not turn in this time. Plots against Chairman and Union Store concocted by Tory heelers can never hurt us. We can't lose. We will publish plots after the election is over."

"Tory heelers here will lose their money on bets. We advise all electors not to listen to any statements made by Tory liars."

"Bonarville Bay, especially Greenspond, will carry three-fifth vote for Union. Healers here wish officers and Council were dead, but we will die for Coaker and Union if duty calls. Whiskey makes some people talk fast and bet lots of money, but others will talk later. "Greenspond men will watch for liars on Sagona. They must be no-torious liars to spread such reports. "Every Council meeting, full of Union fire. Men can see that Coaker needs soldiers to fight in this great battle and are determined to fight or die for Coaker. "Signed on behalf of Greenspond Local Council: "Edgar Harding, Jacob Harding, Ebenezer Young, Augustus Hadden, Fred Howse, Aubrey Dyke, Edward Easton, Benj. Harding, William Pond, Stephen White, Wm. Pittman, Herbert Barry, Sandy Barry, J. B. Wornell, and three hundred others."

## Testimonials.

Extract of Letter Received From L. J. Munden, Dated October 2nd.

I really believe that the Fairbanks Morse engine is all right, she has given me perfect satisfaction. I went to work the other day and put on a kerosene oil tank and connected the pipe to the carburetor and started her and ran her just about three minutes on kerosene and then shut off the gasolene and turned on the kerosene and as soon as the gasolene was burned out she took to the kerosene all right. She does better work on kerosene than on gasolene.

(Sgd.) LEVI MUNDEN, Baine Harbour.

Extract of a Letter Received From J. A. Strong & Co., Dated Oct. 9th.

With regard to your enquiry concerning the Fairbanks Morse Co. engines which we had from you the spring we may say that they have given perfect satisfaction as far as reliability and simplicity in running are concerned. In fact they are as good as the manufacturers say they are. We would not change a Fairbanks Morse Engine for any other that we have ever seen.

## Slander and Falsehood.

Special to Evening Telegram.

LEWISPORTE, To-Day.

Re Tory Party reception here on Saturday, 25th inst., as reported in Monday's Herald, we beg to say that the whole statement is an unqualified lie and published for no other reason than to deceive. We challenge Miley, Temple and Yates, or their heelers here to deny over their own signatures whether it is not absolutely true that not one cheer was given for Bond and his colleagues. What reliance can be placed in their Herald's lying despatch, otherwise we shall regard him as chief actor in a campaign of slander and falsehood.

## Lavative for Old People—Cascarets.

Suits, Calomel and Pills act on Liver and Bowels like pepper nets in Nosils—Danger!

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need cascurets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty. Age is not a time for harsh physics. You may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.

## Guilty Anyhow.

Daniel O'Connell was at one time defending a man accused of murder at Clonmel. The circumstantial evidence was so strong against the prisoner that the jury had already determined upon their verdict of guilty when the man supposed to be murdered was brought into court alive and unharmed. The jury were desired to return their verdict at once, and they did so, but it was one of "Guilty."

"What does this mean?" said the judge. "If the man has not been murdered how can the prisoner be guilty?"

"Please, yer honor," said the foreman, "he's guilty. He stole my bay mare three years ago."

## McMurdo's Store News

TUESDAY, Oct. 28th, 1913.

At this time as is usual at this season of the year and later, rats are beginning to appear in barns, out houses and cellars, and as most the losses from their depredations will be considerable if some means to destroy them are not taken. We believe that the rat destroyer which has the greatest number of points in its favor and the fewest objections is Rat Corn. Rat Corn has done some excellent work in ridding the farmers and householders from the pests, as it is claimed by the makers of Rat Corn that their preparation is practically non-poisonous to other animals and to man, most rat poisons of course being deadly. These advantages give it a claim upon intending users above most things of this kind. If you expect trouble from rats, get Rat Corn. Price, 15, 25c. and \$1 a tin.

TWILLINGATE, To-Day.

Miley's meeting here last week was such a complete failure that even the Sun makes no reference to the meeting, or may be the Sun is astonished into silence by the tissue of lies published in News and Herald on 24th inst. Well may the honest Tories here feel ashamed of their party wire pullers and resent such outrageously false reports.

## The Surplus Earned.

In 1912 the Canadian Life earned surplus of \$1,530,667, exceeding by over \$237,000 the earnings of 1911, and by a much larger amount the earnings of any previous year. This is of importance to policyholders, for their Dividends must come from this account.
