> "Hush, Hush" cruisers are new British battle cruisers which are said to have been in commission for over a year. According to the Germans they are 880 feet long; but the enemy seems rather disgusted because he has no further particulars about them. Owing to the secrecy maintained about these ships the Hun has come to call them "Hush, Hush" cruisers.

three minutes the home team playing rings around their opponents notched up four goals which were accounted for by Munn 2, Stick 2. - The visitors realizing what they were up gainst pulled themselves together. Winter took control and after passing all opponents dropped the rubber behind the city goal tender. Time 18

Ralph Herder was the next to catch the scoring fever and within one minute beat Gabriel twice, thus putting the home team in the lead. The second period closed with City, 9; K.C.'s, 8.

THIRD PERIOD.

Fifteen seconds after resuming play R. Herder again did the necessary, and was followed by Stick just ive minutes after. Two minutes from hen Winter made another count for the College boys. Time 7 minutes. At this juncture of the game Jerrett who was relieving White, got a nasty low over the left eye causing him to retire for the remainder of the game. White again resumed play. In two essful attempts the city, through Munn and R. Herder added two counters. Time 10 and 101/2 minutes.

With the citizens leading, the Colege boys worked hard to even up and were helped out in their efforts by ter who scored goal No. 10 for his team. In the next two minutes of
