caused a considerable amount of discussion.

After some deliberation the following resolution was put to the meeting and adopted unanimously:

(1) That it is the opinion of the Great War-Veterans Association that some scheme for the erection of a memorial to those who died should be got underway immediately.

(2) That this meeting adjourn to meet in two weeks time.

(3) If no effort is made by the citizens of St. John's in that period for the erection of a Memorial that this meeting will decide on the erection of such, same to be subscribed to only by the Veterans of the Great War and immediate relatives of the deceased.
