Barns, Silos, Implement Sheds—what a valuable investment they represent! It cost you good money to erect them and it is therefore a matter of true economy to safeguard your investment by providing them with a reasonable amount of surface protection.

A Photoplay That Keeps You Guessing.

"It Can Be Done," and it was done when a photoplay by that name was shown at the Nickel Theatre. It is a pleasure to witness something different from the usual, trite love story dragged out for five reels. Earle Williams in "It Can Be Done," keeps the spectator guessing. You always guess wrong because things don't happen the way you expect; but still you go on guessing until the end. The only thing you guess right is the fact that somehow the star will ultimately marry the heroine; but you are surprised at the ordeal through which he goes before he wins. The story is one that holds the interest and satis-

fies the spectator. It does not depend upon spectacular scenes or thrills for its success; but holds the attention through a series of surprises and almost endless tangles into which the hero is plunged in his effort to live a clean, wholesome love story interwoven in the plot which at times assumes the proportions of a detective story and then branches off into a sort of super-"Raffles" affair with a happy ending.

America's greatest dramatic star, Lionel Barrymore will be seen at this theatre shortly in "The Great Adventure." Watch for it.

Our Annual Derby.

REGATTA COMMITTEE MEETS—RACES WILL BE HELD ON AUGUST 2ND.

The Annual Regatta will be held this year on August 2nd. This was the decision of the large and enthusiastic gathering of members of last year's committee, who met in the T.A. Armoury last night. Following the decision, the committee to carry out arrangements for this year was appointed. This committee consists of: President, Mr. A. Hiscock; Vice-President, Mr. W. J. Higgins, K.C., M.H.A.; Treasurer, Mr. R. W. Jeans; Secretary, Mr. J. L. Noonan. Committee: P. F. Collins, K. Ruby, J. M. Tobin, Hon. F. McNamara, D. Shute, C. J. Ellis, J. M. Spearman, P. Brown, C. W. Ryan, Angus Reid, A. Wight, J. P. Crotty, F. Nangle, N. Andrews, N. J. Vinicombe, M.H.A., E. J. Brophy, J. Walsh, J. Meahan, G. F. Kearney, R. Dowden, T. D. Carew, F. W. Hayward, C. E. Hunt, J. W. Morris, P. J. Hanley, T. J. Ryan, G. Brownriggs, S. Skiffington, E. Chafe, E. W. Taylor, John Crane, Jas. Crane, J. Day, P. F. Moore, M.H.A., T. Hallett, R. H. Simms, A. G. Williams and representatives of the Press. Capt. E. English, Sr., who for 46 years has been identified with our annual Regatta, and Mr. W. J. Martin, who has been a valuable member of the Committee for the past 30 years, were unanimously appointed Honorary members of the Committee. Much preliminary business was then disposed of and the following Committees were appointed:

Judges—Capt. E. English, Jr., Hon. E. H. Dawe, H. W. LeMessurier, C.M.G., W. H. Rennie, Hon. John Anderson, Dr. Scully, C. F. Taylor, Sir J. C. Crosville.

Prize Committee—Messrs. C. J. Ellis, J. P. Crotty, A. G. Williams, R. Dowden, R. W. Jeans.

Catering Committee—Messrs. A. Hiscock, N. Andrews, W. J. Higgins.

Previous to the election of the Committee, President Hiscock feelingly referred to the great loss which the passing of the late J. H. Monroe, who had been an active and interested member for over 40 years, would mean. Regret was also expressed by the President on the death of Mr. B. Squires, for 37 years the caretaker of the Committee Tent. Mr. Hiscock then thanked last year's Committee for the assistance which they had rendered. The meeting adjourned until Friday, June 26th.

Fire Destroys Garage.

MUNICIPAL SPRINKLERS DAMAGED.

The Municipal Garage, attached to the Sanitary Stables, was completely gutted by fire last night. The motor sprinklers and trucks which were stored there were badly damaged. The trucks are valued at about \$15,000 and are fully covered by insurance. The garage is also insured. A lighted match or cigarette end dropped on the gasoline saturated floor, is believed to have caused the fire. An employee named Green first discovered the blaze. The fire companies were quickly informed and soon appeared on the scene. Previous to the firemen's arrival attempts were made to stay the flames with a yard hose but this was ineffectual. The firemen were soon at work under the direction of the Inspector General, and everything possible was done to extinguish the blaze. Their work was at one time almost rendered futile, as gasoline stored in the garage, exploded and gave added impetus to the spreading tongues of flame which licked the nearby buildings. By 1 a.m. the work of the firemen had gotten the blaze under control and soon it was completely extinguished. The extent of the damage to the trucks has not yet been ascertained.
