

The Ontario Teacher observes that at the next examination of teachers, second-class female candidates are required to undergo an examination in the first book of Euclid, instead of domestic economy, as heretofore. This alteration in the examination course was made by the Council of Public Instruction in May last and announced to the public in June. We decidedly object to this hasty action, for we cannot call it anything else, as being unfair to all female candidates for second class certificates. It evidently places among them at considerable disadvantage, inasmuch that no candidate preparing for the Board could be sufficiently prepared on such short notice to undergo examination with any probability of success.

**Be Wise To-day.**—The madness to neglect a cough or cold, however slight. Consumption may follow, and though Dr. Wistar's Balsam of Wild Cherry has frequently cured this much dreaded disease, it also invariably cures the primary diseases of the throat, lungs and chest, where other remedies fail.

**MANUFACTURE OF COCOA.**—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London. —See article in Cassell's Household Guide, 1906mdw

**DR. WHEELER'S COMPOUND DELICIOUS PHOSPHATES AND CALSAYA.**  
Sandy Creek, Aug. 31st, 1872.  
The Compound Elixir of Phosphates and Calisaya prepared by you I have been using for two years using largely in my practice, and I assure you that in my judgment there is no preparation of its kind that can compare with it where it is applicable. With feeble, anemic women, of whom we have so many, and in cases convalescing from prostrating diseases I should hardly know how to get along without it. In Dyspepsia it acts like a charm—in fact in any of the long list of exhaustive diseases it is THE REMEDY.  
I am, yours truly,

**WISTAR'S BALSAM OF WILD CHERRY**  
**THE GREAT REMEDY FOR CONSUMPTION**  
which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
