Retaliation Against Canada Contem-plated by Representative

Chickering. WASHINGTON, March 23,-Retaliation against Canada is the purpose of a bill introduced in the House by Representative Chickering, of Oswego, N. Y. Mr. Chickering's bill provides that whenever the President shall be satisfied that the Canadians are discriminating in the use of the Welland Canal or other canals in that country against the United States, he shall suspend by proclamation the transportation across the United States in bond and without the payment of duty ail merchandise imported or exported from any foreign country to Canada. The bill was referred to the foreign affairs com-mittee, and this morning Mr. Chickering appeared before a sub-committee in sup-

port of the measure. The Pollard-Breckenridge case having developed the fact that there is no law in the district of Columbia for the punishment of seduction, Congressman Morse, of Massachusetts, to-day introduced in the House a bill which contains the text of the Massachusetts law on this subject. The bill was referred to the committee on judiciary.

The House to-day adopted a resolution expressing regret at the death of Louis Kossuth, and requesting the Speaker to transmit the sympathy of the House to the family of the deceased

And Itching, Would Scratch Until Blood Ran Down His Limbs. Forced to Take to His Bed. Whole System Affected. Doctor after Doctor Without Cure. Instant Relief, Speedy Cure by Using Cuticura Remedies.

My sufferings might have been stopped if I had only known of your Cuticura Remedies cighteen years ago. I contracted the fever and ague, and it effected my kidneys so badly that I had to have an operation, from which resulted blood poison, and I suffered untold agonies. To make my sufferings more, my left leg below the knee broke out in large blood boils, and commenced a scaly, itching irritation, so that at times I was almost frantic, and would scratch until the blood would trickle down my leg. In the summer these large boils would commence, during which time I would have three or four which were so painful that at times I was forced to take to my bed. Every winter a dry itching scaly mass would gather on my leg, which with the boils, seemed to effect my whole system. During all this time, a period of three to nine months, I had doctor after doctor, but they gave me only temporary relief. This last fall I commenced using your Cuticura, Cuticura Soar, and Cuticura Resolvent, and now the scales have all gone, the itching all gone, I have not felt sick, and have worked all winter. I would not suffer again as I have for the past eighteen years for anything. I had doctors from the west to the east, all to no purpose. I have not felt so well or been so long without a sick spell since taking your remedies. Thanks to them and to you, and the great Maker of mankind for my returning health.

DANIEL P. WOODWARD,
Warren, Washington County, Yt.

Mr. J. Thompson, 535 York street, London, writes June 20:
"Dear Sirs.—I was a great sufferer for years with one of the worst kind of sore legs. I doctored a great deal with some of the cleverest doctors in Canada. They failed in making est doctors in Canada. They failed in making a cure. I was recommended to try your medicines; I got two bottles of your Royal Crown Remedy and Pills; I used it according to directions. In two weeks after I commenced to use it I was able to go to work again. I feel much better in health and the legs seem to be a sound cure from the bone. I can recommend it to the world at large."
