Annual Reports of the Secretary and Treasurer-Usual Election of Officers.

The annual meeting of St. George's Society was held last evening in the Albion Block. The members present were: W. Skinner, president; H. C. Smyth, first vice-president; H. J. Carter, second vicepresident; J. B. Cox, secretary; R. Cadwallader, assistant secretary; G. Pritchard, treasurer; R. W. Barker, record keeper; R. Ashton, R. Reynolds, Alf. Cave, B. Clampit, J. itiated to the society. Secretary Cox presented the 26th annual report of the society. He congratulated the members on having passed another prosperous year. The officers and members, he said, might well feel proud of their success in building up such a noble and benevolent institution to assist their countrymen when in their midst from the motherland. The society was gradually increasing in its membership yearly, both life and annual. During the year there had been added to the membership some 3 life and 19 annual members. The number of applicants seeking relief during the year had been few, and their wants had been ably attended to by the late chairman of the relief committee, Bro. John Santo, and his able assistants. The report spoke well of the manner in which the relief work had been attended to by the committee for that purpose. The report mentioned the annual church service that had been held in April last and the had been held in April last and the annual dinner on the Monday following, and then went on to speak of the destribution of Christmas cheer. Two hundred and sixty families, representing 1,500 souls had received cash to the extent of \$175, 525 loaves of bread, 2,000 pounds of beef, 1,500 pounds flour, 150 pounds tea, 300 pounds sugar, 250 pounds raisins, 2 barrels of biscuits. Several valuable members had fallen prey to grim death since the last

Pritchard's report, as adopted, showed the receipts and disbursements to be \$437 48, not including a full report of the Christmas cheer distribution, and the assets of the society to be \$4,250 94, all invested in local building societies' stock

annual meeting, including the first presi-

dent of the society, Mr. F. Westlake, Bro.

and on deposit in savings banks. The election of officers was then taken up and Mr. H. T. Smith elected president without opposition. Mr. Smith thanked the members in a short speech for the honor done him and was loudly applauded. Bro. H. J. Carter was elected first vicepresident and Bro. J. Sussex second vicepresident. Bro. Geo. Pritchard was unanimously re-elected treasurer, and thanked gone through, Joseph Hook, D.D.G.P., in- the members for their continued expression stalled the following officers to their of confidence. Bro. Richardson was elected marshal, and Bro. Barker was again elected recordkeeper. Dean Innes, Archdeacon Marsh, Canon Richardson and Rev. J. B. Sage were

Messrs. Cox and Graham were elected standard bearers. The new president, Bro. H. T. Smith, was inducted into office, and a hearty vote of thanks was tendered to the retiring president, Mr. Skinner. The latter replied feelingly.

Purely Vegetable.
First the bud, then the blossom, then the perfect fruit. These are the several stages of some of the most important ingredients composing the painless and sure corn cure -Putnam's Painless Corn Extractor. The juices of plants greatly concentrated and purified, gums and balsams in harmonious union, all combined give the grand results. Putnam's Extractor makes no sore spot, does not lay a man up for a week, but goes on quietly doing its work until a perfect cure results. Beware of acid substitutes.

Mr. Weir Since He was 2 Years Old.

In last Saturday's Free Press we gave the particulars of a most wonderful, even marvelous. cure effected upon Mr. John Weir, of lot 15, on 15th concession, London township.

Our readers will remember how critical and peculiar, aye, even hopeless, was Mr. Weir's condition. He was given up by the best physicians from surrounding towns, who held out no hope for his recovery. Just as life seemed flickering out he was rescued by the pleadings of a thoughtful young lady of this city—Miss Roxie Morden—who, knowing the virtues contained in that seemingly marvelous liquid, known as Williams' Royal Crown Remedy, persuaded Mr. Weir's friends to get it, just in time to save his life.
