COUNTY AND CITY WILL HOLD MEETING

Joint Municipal Building Will Be Discussed on Thursday.

The board of works and the county council will get together on Thursday afternoon next and discuss a joint municipal building.

The first question that will be settled by the members will be that of a site. The county men are committed to the present site of the county buildings, while the city council is divided between the "V" on Richmond street and a site further east. Some prefer the present site, but so far their influence has not been very great.

While playing baseball, Wilbert O'Rourke, son of Michael O'Rourke, 1034 Dundas street, had his nose broken. In the mix-up O'Rourke reeived a sharp crack across the nose breaking the bridge.

While attempting to board a Springbank car at the Park last evening, Miss M. Livermore, daughter of Mr. W. T. Livermore, Princess avenue, had her leg badly crushed, and her knee cap smashed. A number of boys crowded her into the steps, and threw her to the walk. She was picked up, and brought to the city. On examination, it was found that her left leg was bruised and cut, and the knee cap cracked.

Miss Frieda Wilkins, of Wilson street, had her ankle badly bruised. While watching the baseball game, a batted ball struck her on the ankle and it was thought for the moment that her leg was broken. However, other than a badly bruised member
