Cossacks Capture Batteries Dutch Have Forbidden, and Important Gain For Allies Near Verdun-Market Place and Position Held By Allies There Town Hall of Ypres Destroyed By a Bombardment.

> WASHINGTON, D. C., Nov. 22.—The French forces have captured the Heights of Ornes near Verdun and silenced two German batteries. according to official dispatches to the French embassy. FRENCH OFFICIAL STATEMENT

PARIS, Nov. 22.-16:40 p.m.-The following official communication was issued tonight: "Today there was a violent bombardment of Ypres, during which the market place and the town hall were destroyed.

"In the region of Soissons and Vailly there was rather strong can-

nonading. "There is nothing to report from the other parts of the front. The following official communication was given out in Paris this

The day of the 21st was calm upon the whole front. In Belgium as in the region from Arras to the Oise there were only intermittent can-nonades. Our artillery evidenced in general more activity than that of the enemy. Our batteries succeeded in demolishing many lines of Geran trenches. The enemy worked elsewhere to construct new ones in

The day was equally calm upon the Aisne, in the Champagne as well as in the Argonne district, upon the heights of the Meuse and in the The following official communication was issued by the war office last

"The day has been very quiet. There is nothing of interest to report except that in the Woevre district, in the Eparges, five German attacks were executed in mass in the space of two hours, and stopped abruptly by the fire of our artillery."
