NEW POOL ROOM.
A large and up to date pool room

building will be 24x32ft.

A DEAR VOTE.
A former resident of Campbellton,
who now resides at New Carlisle, but
still has a vote here, came up to vote
in the local election. Before leav-
ing town he forgot to settle his
taxes and other bills. During his
brief stay Chief Crawford interviewed
him three times, first to the tune
of \$11.90, next \$17.50, and next \$4.50
—all for the sake of one vote.

CHANGING NEEDED.
There is certainly need for a change
in the Huzen Government school book
policy. Last week a resident of Tide
Head, having a boy going to school,
discovered 17 errors in the book for
him. Not being able to procure one
at the store at Tide Head, he sent
one of his boys by train at consider-
able expense, to find one, but the
vender there was also out of them.
The father then decided to come
to Campbellton to procure the
necessary book. He left his work and
came to town, at more expense, only
to find that the venders here had
none in stock. When he complained
of the lack of system, and the incon-
venience occasioned by such methods
of selling school books, he was flatly
told that the handling of these books
was done at so close a margin that
there was no money in it, and not
much attention was paid to the mat-
ter. This gentleman estimates, con-
sidering his own time and expense,
that he has lost \$100.00 by the whole
without the book. Under the old
method there was no difficulty of pro-
curing necessary readers as many
scores kept them in stock. The sys-
tem needs to be changed.

NEWCASTLE ELECTIONS.
Newcastle town elections passed off
quietly on Tuesday, less than one-
third of the registered vote being pol-
led. The results are as follows:
For Mayor
J. B. M. 121-128
Stanley Miller—128
For Aldermen
Hon. Donald Morrison—207,
Thos. Russell—200,
Charles Sargent—190,
J. Gregory Layton—181,
John Clarke—175,
R. B. McKenzie, Vice Pres.
J. Mitchell Palmer—166,
Thos. W. Butler—156,
H. H. Stuart—154,
Ian Russell, 132.
It is said that the temperance party
have the majority of members on
the board. Chatham has also elect-
ed a board favorable to the enforce-
ment of the Scott Act.
