IS NOW AT 18 KING ST. EAST. A few doors below the old stand.

OFFICE THE Is never closed but on Sundays. The Toronto World.

TUESDAY MUBNING, JULY 4, 1852. Persons leaving town for the season, and summe avelers, can hape THE WORLD mailed to them for S ents per month, the address being changed as often as

THE DANGER TO THE SUEZ CANAL cowardly, is that "a misfortune" which The threat of Arabi Pasha to destroy the Suz canal has had the effect of rousing shambles. If it is his "misfortune" to be the English people to energetic action, and preparations are being made upon a large murders anyone who stands between himscale to meet the emergency. The reserve of 20,000 men can be ready for services in a few days ; and, in case it were necessary, before they could be despatched. Malta could no doubt land a sufficiently strong door at the end of the rope which as against gentlemen, whose systems are so force to protect the canal pending the sr-rival of reinforcements. Of course, it may constituted, is society's sole defence.

REV. DR. WILD ON PEESONALS. he assumed that the powers in congress Some young Lady, no doubt attracted will in their own interests delegate to England the duty of protecting this great commembers of her sex to correspond with mercial highway, in which all the western young gentleman alone in the city and deworld is virtually concerned. England sirous of a congenial acquaintance" which from time to time adorn the columns of has, beyond question, a deeper stake in its three-fourths of the shipping passing some journals, wisely consulted Dr. Wild King Stork. It now behoves us to lock as to the propriety of so doing. The reverend doctor has originated a system of conthe extent of \$20,000.000. As we have on sultation by letter, giving replies, generally a previous occasion pointed out. England. in the mere character of a shareho der, would not be entitled to take independent action ; but no question is now likely to without the privacy of the confessional arise on this point. Considering the great The young lady got a very sensible reply. length of the canal, about 100 miles, it is clear that small gunships will he the most effectual mode of defense against surprise. Throughout the greater not to admit of two large ocean steamers passing. The question naturally suggests a meeting with a stranger, having just itself, where and how is the canal vulner-

enough soupcon of naughtiness to able ? The material of which the banks is are the work of several young ladies, who, composed is so loose that it is not easy to to be sure, might be better employed, putsee how the explosive materials we hear see how the explosive materials we hear to or any inght to the transfer on any or to the street and the conservative victory, have been stored at Ismails could be ting their heads together, and laying a very while the mob crowded the street and the eff ctually used for any serious injury to through rock where mining operations when the advertisement is answered, a man in thundering tones declared that the bond of connection is loosened. Colonical night be more successful, though the time The letter is full of compliments, it is endorsement to the national policy, and the tection, they are only injuri us as colonies might be more successful, though the time

THE ELECTORAL VICTORY-WHAT IS 100 of Bumptionsville, hustings orstions constitutional law, abilities in the poble LIKELY TO POLLOW BY R. W. PHIPPS. It must be remembered that, in the late elections Canada had but Hobson's choicethat or none; or rather, in this instance, that or much worse. King Stork and King Log were before us in propria personæ, lie domain. Denounce it ! Make a speech and if we did not replace the former by the in the house t' . latter, it was not that we loved Stork much, "Sir" ave Mr. Burn

ore dangerous to society. We are told that though this assassiu's brain is but that we loved Log less. In fact, as was healthy, there is a hard-aed condition of the stated in Toronto during the elections by covering membrane, and an effusion of more than one blunt reasoner, we were between the devil and the deep sea. "Come to me," cried Sir John, bowing right and left, "and I will give your flesh "iymph" or flu d. Now we contend that in

dviser should accompany him to Paradise.

Could such a proposal be carried ou

would have its compensations to society.
