morning of May 11, I saw the numbers 41:35 pass before my vision. I at once conducted it to have references to a chapter and verse in the Bible. Without waiting to arrange my toiles, I stepped into an adjoining room and took from a case a copy of the Scrip-tures, to ascertain what any passages design nated by these numbers might appress. I searched for books containing 41 chapters. Having opened, by socident, at Pealins, I found the chapter designated, but it was about the 35 rereas; so with Isafab, Jere-miah and Excitet. I then turned back to Job with similar results; but Genesis 41 researched me by affording the 35th verse. I was enorthed me by affording the 35th verse.
