TORONTO.

He Has Not Dropped Out.

Editor World: I am informed that an item appeared in The Toronto World to the effect that I had resigned my position as Liberal candidate in East York for the Legislative Assembly of Ontario.

I presume this report has become current from the fact that I have been, for the last six weeks, suffering from an attack of la grippe. I am pleased to say that I am now convalescent, able to be up and take exercise every day. My physicians assure me that in all probability my recovery will soon be complete.

Allow me to say there is no truth in the report concerning my resignation. Providence permitting, I expect to be in the field as a candidate until the last vote is polled, and with the assistance of the sturdy yeomanry of East York I hope to be their representative in the next Parliament of Ontario. Please kindly insert this communication in your paper so as to correct the erroneous impression.

JOHN RICHARDSON.  
Scarboro, April 17, 1894.

So rapidly does lung irritation spread and deepen that often in a few weeks a simple cough culminates in tubercular consumption. Give heed to a cough, there is always danger in delay. Get a bottle of Wick's Anti-Consumptive Syrup and cure yourself. It is a medicine that passes for all throat and lung troubles. It is compounded from several herbs, each one of which stands at the head of the list as exerting a wonderful influence in curing consumption and all lung diseases.

Strayed Away From Home!

Eddie Sutton, aged 5 years, strayed from his home, 31 Temperance-street, early yesterday morning, causing his relatives a great deal of anxiety. A young man returning from work found the little fellow at 7.45 in the evening in Bellwoods Park very hungry and footsore.

### SAYS HE SLAPPED HER FACE

And Asks \$2000 Damages as Dam For Her Wounded Feelings.

Mamie Robertson, a pretty brunette, claimed \$2000 from her former employer, Alexander Burgess, at the Assize Court yesterday, alleging that he had shaken her and slapped her face.

Mamie did not allege that Mr. Burgess had seriously hurt her, but thought that her wounded feelings should have a substantial claim.

Miss Robertson was employed as a chambermaid at Mr. Burgess' hotel, the Russell House. When she left there some of her clothes remained behind, and she went back on Dec. 29 last to get them. She met Mr. Burgess, who wanted to know what she was doing there. Mamie replied that she had come after her clothing, which was in the room of a Miss Lizzie Wells. With this retort she went into the room and Miss Wells closed the door.

Mr. Burgess did not approve of being shut out and re-opened the door. What then happened is a matter of controversy. Burgess claims that he merely laid his hand upon the young lady's shoulder and requested her to get out. Miss Robertson objected to this and kicked at the hotel proprietor, fracturing his watch chain. Miss Robertson claimed that Burgess slapped her face before she kicked at him. There was much contradictory testimony as to whether the young lady was slapped, but all agreed that no serious damage was done. Justice Street's charge to the jury was rather against the plaintiff. The jury was against a street car line in Elm-avenue and the case was put at the foot of the list.

### Patent Right Suit Postponed.

J. A. Johnson's suit against A. L. Burke of patent right fame was commenced at the Assize Court yesterday. The plaintiff's evidence, which was long and full of figures, was partly put in. Counsel wished to amend the claim by adding several notes which Johnson claims to have bought. After a lengthy argument this was allowed and the case was put at the foot of the list.

### City Hall Notes.

Assessment Commissioner Maughan yesterday received a letter from Detroit stating that the cost of assessing that city was \$29,000. The cost in Toronto, including local improvement work, is under \$18,000.

Ald. Lamb thinks Island residents who desire a water system should sign a bond guaranteeing the city 10 per cent. on the sum required to construct the waterworks.

A deputation of Rosedale residents visited the City Hall yesterday to protest against a street car line in Elm-avenue. A big howl was made by some parties that Contractors Van Vlack and Farquhar were sub-letting portions of their contracts, contrary to bylaw. Engineer Keating investigated and found there was nothing in the report.

It is rumored around the hall that Otto Guelich, the Detroit contractor, has bobbed up again, and will tender for asphalt paving.

A building permit was issued yesterday to Mrs. C. Rathven for alterations to 346 Parliament-street, to cost \$1000.
