The late Mr. Caughlin was born at Watford, Ont., in the year 1844. In 1880 he married Miss Margaret Melody, who predeceased him 22 years ago. The union was blessed with a family of four sons: Michael, Felix, William and John, and two daughters Mrs. Christopher McCarthy of Clansons, Mich., and Anna, who died at the age of 14 years, two years previous to the death of her mother. In 1884 he moved with his family to Michigan, where he has since resided. The deceased had been in failing health for the past three months having contracted gangrene in his left foot and although the best medical care was obtained to relieve his suffering, he passed peacefully away on Friday evening.

The funeral was held on Tuesday morning at 9 o'clock from his late residence to Our Lady of Lake Huron church, Harbor Beach, where requiem high mass was sung by Rev. Fr. Fleming, thence to Ruth cemetery for interment.

THE LATE WM. LEITH OF ENNISKILL

William Leith, 6th line of Enniskillen, died Saturday at the age of 86 years. Mr. Leith was born in Enniskillen, Ireland, in 1827 and came to this country at the age of 40 years. During the first five years in Canada he made his home with his uncle, William Brock, father of the late Robert Brock, who lived on the eighth line of Enniskillen. He then purchased a fifty acre bush lot which is his present homestead, part of lot 3, concession 7, Enniskillen. He cleared this lot, chopping and burning the timber unaided and then purchased one hundred acres more, adjoining part of lot 4, which he also cleared. Mr. Leith cleared the timber off this land without the assistance of a team of horses. For many years he carried his butter, eggs and produce to Petrolia. He married Isabella Bachelwain in 1866 and a family of two girls and four boys blessed the union. He is now survived by his wife and her four sons. The sons are, Charles and Thomas at home, William, 8th line west, and Robt. of Sarnia. Mr. Leith had a very plucky and industrious disposition. He was an excellent conversationalist and respected highly by his neighbors. He is well known all over Enniskillen. Mr. Leith was a life long Conservative in politics, a staunch Orangeman and a devout Methodist in religion. The funeral took place Tuesday afternoon from his residence, lot 3, con. 7.

PETROLIA

Mrs. Josh whose death was mentioned last week, passed away after an illness of several months. She was born in England and was married to Mr. Josh about 20 years ago, having met him while he was on furlough in England. Roy Smith appeared before Magistrate Woodrow on Tuesday on a charge laid by an Oil Springs father of selling liquor to his son. The latter claimed he purchased a bottle of moonshine from Smith paying \$4 for it. It made him ill. Smith denied the sale and with the assistance of his brother William and Hugh Bruton proved an alibi. The case was dismissed.

Major G. G. Moncrieff left last night for California via Chicago and will return by Vancouver and the Canadian West about June 1st.

Petrolia races will be held on Wednesday, June 27. Thos. Eady is president of the meet and W. W. McRee, secretary.

LAMBTON COUNTY SUFFERS FROM LACK OF HIGHWAY

Petrolia, April 16.—Representatives from various municipalities affected met here Saturday afternoon further to discuss the proposed Provincial highway. In Lambton county at present all main travelled roads and Provincial highways run east and west.

Last year a movement was started to secure a Provincial highway to run north and south through the county. The proposed Provincial highway will join up the Sarnia and London Provincial highway in the north with Longwood Provincial highway in the south. The highway as proposed will be from Reece's Corners on the London road by way of the 15-16 sideroad through Wyoming, Plympton county road through Enniskillen and the seventh concession to Rutherford, thence to Longwood road. This road as proposed is the most direct route from Lake Erie to Lake Huron, serving as a main highway or trunk road through the most fertile portion of western Ontario, which at present is retarded in development on account of lack of a proper highway.

A deputation is being organized to wait upon the Minister of Highways to press upon him the necessity of designating this highway at once.
