All of the above have perfect flowers, and will produce excellent crops, if planted singly or together.

Order directly from the Nurseries, to be sure of the *genuine*—"The Hooker" originated on our grounds.

Money, at our risk.

## HUNGARIAN GRASS.

This valuable grass was introduced into this neighborhood three years since by our County Agricultural Society, and has given very great satisfaction to all who have tried it. Its ordinary yield is **FOUR TONS TO THE ACRE**, and in some cases **SIX TONS** have been cut. Cattle and all kinds of Stock are very fond of it, preferring it to Timothy. Its fattening qualities too are believed to be superior to those of any other known grass.

The Subscriber has obtained a quantity, and will send to any person making a post-paid application, sufficient to sow one-third of an acre for One Dollar, or One Bushel for Five Dollars.

All seed will be sent free of charge.
