THE WAGGONER EXTENSION LADDER

is useful, not only for pruning and for picking fruit, of which there is likely to be abundance this season, but for

REPAIRING, PUTTING UP HAY-FORKS, STORM WINDOWS, FIRE PROTECTION, PAINTING

and many other uses about the farm and house. No farm should be without one. A woman can put up a 32 foot ladder strong enough to carry several persons at once. We also make Clothes Reels for the yard and Lawn Swings, beautiful and delightful.

THE HORSE THAT NEVER EATS

Do you sometimes have to send in a hurry for a repair part for some machinery?

Or on a message to some neighbor?

Or to the nearest store or post office?

Or many other errands necessary to farm life?

Then it maybe has occurred to you what a wonderfully convenient time-saver a good bicycle really is. It saves taking a horse away from other work. Covers the distance much more quickly. Is always ready for use, and needs no hay or oats.

But it must be a good bicycle, well and honestly made. A cheaply-made bicycle is dear at any price. Then don't experiment.

Buy a Cleveland. One of the world's best. Covered by the broad guarantee of the makers. Either Cushion Frame or ordinary style. Write for the name of the nearest agent.
