

Liberall Education

BY MR. SHADGETT,
From London.

*M*MR. SHADGETT's Academy is now open for the reception of youth at his residence No. 1 Hope Street, Upper Town.

Mr. Shadgett is known to the publick, as having been selected and sent expressly from England, to introduce the Schools on the National Principle and the NEW BOOK OF TITTOX into this Country; and as having received the approbation of several Gentlemen and Scholars, well qualified to decide, who have inspected the Schools which have been formed by him.

THE ACADEMY NOW OPENED will be found peculiarly adapted to the more respectable and advanced classes of youth, embracing (by a rational, explanatory and easy mode of concegance) all the higher branches of an academical instruction.

Young Gentlemen, (and Ladies), whose Education has been neglected, or, whose Parents have hitherto regarded them as dull and unpromising, may be secure of advancement in this School.

Parents and Guardians of the higher order of CANADIAN youth, desirous of perfecting them in a thorough and intimate acquaintance with the English Language and its just pronunciation, will have every facility afforded them by Mr. S. who is a native of London.

THE TERMS are moderate.

Entrance to the School Room 2nd Door on the right from Hope Street or St. Thistle Street, corner of Joseph Street.
