### What Mr. Beyer says:

"Please accept my most thanks for the splendid seeds received from your firm. It would be a rather lengthy list if I should name all, but will say that amongst 38 first, and 3 second premiums awarded me at our fairs in Northern Indiana and Southern Michigan, 28 first premiums were for vegetables raised from your seeds. What firm can beat this?"  
August BEYER, So. Bend, Ind.  
Seed of this quality I am now ready to sell to every one who tills a farm or plants a garden, sending them FREE my Vegetable and Flower Seed Catalogue, for 1887. Old customers need not write for it. I catalogue this season the native wild potato.

The above record in close competition at the leading shows, has never been equalled on above varieties, and is conclusive evidence of the superiority of the "Homewood" Leghorns. Circulars on application.

As it will be impossible for me to attend many of the winter shows this season, and as I already have a grand record in the show room, I have decided to make up my pens early to supply the increasing demand for eggs from my premium Leghorns. Send for Circular of matings, &c., issued in February.
