## IMPORTANT

All correspondence concerning the *Annals*, even with regard to arrears, must be addressed to Rev. Father Girard, Sainte-Anne de Beaupré.

Those who have paid subscriptions in advance to the late address, at Levis, should notify us stating the date of subscription and for how long: so as to enable us to add their names to the new list.

The first number of the New *Annals* appeared in the Month of May. They will be sent to subscribers about the fifteenth of each month in the future.

The number of subscribers having surpassed our expectations, we find ourselves short of premiums but all will be satisfied before long.

Do not delay your subscription if you desire to have the complete collection of the New *Annals*. As the copies held in reserve are rapidly going, we will be greatly pleased if those who have a surplus of back numbers of May and June, will forward them to us to help to meet the demands of new subscribers.
