## Drying Racks

To hold 12 shelves, 2 ft. wide x 2 ft. long	- -	\$10 00
" 10 " 2 " x 3 "	- - -	14 00
" 10 " 2½ " x 4 "	- -	18 00

ABOVE PRICES INCLUDE SHELVES.

**T**HIS RACK combines the qualities of strength and compactness, and at the same time is easily moved to any given point on castors.—It is constructed of ash, polished and oiled, and makes an ornamental piece of furniture. — The shelves are independent of each other and are easily taken from the frame, and when not in use these shelves can be put out of the way, as shown in the cut, occupying only the room required for the feet of the frame.
