Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral.

While in the army I contracted a severe Cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night Sweats, and such loss of flesh and strength that to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs.—B. B. Bissell, Editor and Publisher Republican, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health.—E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life.—C. G. Van Alstyne, P. M., North Chatham, N. Y.

DONALD KENNEDY Of Roxbury, Mass., says I have kept a Scrap Book for a good many years of letters received from patients; some are long, too long to publish, some are short, short and good. Rainy days I sit down and read them, and have learned a good deal about the human body from some poor, sickly woman, or overstrained man. Here is one of them. I call it a good letter: TRENTON, TEXAS, Sept. 28, 1886. "To Kennedy of the Medical Discovery, Roxbury, Mass. I am so proud of my recovery as to express my feelings in thanks to you. The RHEUMATISM has made me four legged for six years. At last I have traded off two of them to Bell—Druggist—for four bottles Kennedy's Discovery. I am yours, gratefully and unsolicited, J. B. Ivy."

Sparkles. SHE: I think I shall make a cake this afternoon, Alfred. I have ordered the sugar and eggs and citron, but—I feel sure there's something I've forgotten. He: Why not look in the cook book? She (after five minutes' absence): Alfred, dear, would you mind stopping at Sandham's on your way down and ordering five pounds of flour? THE BALTIMORE POST OFFICE.—I don't care who is appointed to the Baltimore post office, said General Johnson to the President, but I do insist that my cook use Imperial Cream Tartar Baking Powder. I am done with powder containing alum and ammonia. A LADY called at one of our banks and presented a cheque which she wished cashed. As she was a perfect stranger to the paying teller, he said, very politely: Madam, you will have to bring some one to introduce you before we can cash this cheque. Drawing herself up quite haughtily, she said, freezingly: But, I do not wish to know you, sir.

GENTLEMEN,—I have used Haggard's Pectoral Balsam for a bad cough, and was cured by one bottle. My babe only two months old also had a cold and cough and on giving him some it helped him very much. MRS. E. J. GORDIER, Florence, Ont. GROCER: Well, my little boy, what will you have? "Fifteen cents' worth of molasses." Grocer: (as he hands the pitcher over the counter)—Where is your money? "In the pitcher; I put it there so as to be sure not to lose it." THE medical mission of Burdock Blood Bitters in curing constipation, has been markedly successful. No other remedy possesses such peculiar power over this disease. WAS very bad with costiveness, and one bottle of B. B. B. cured me, would not be without it, says MRS. WM. FINLEY, JR., of Bobcaygeon, Ont. TEACHER: Where do we obtain coal, Freddy? Freddy: From the coal-beds, ma'am. Teacher: Right! Now, Jimmy, where do we obtain feathers? Jimmy: From the feather-beds, ma'am. PURE Cod Liver Oil and Emulsions properly made from it are undoubtedly the best remedies for pulmonary complaints. Many emulsions have been placed on the market but none seem to have met with the success accorded to SLOCUM'S OXYGENIZED EMULSION OF PURE COD LIVER OIL. Their Laboratory at 186 West Adelaide street, Toronto, Ont., is kept constantly going and every druggist in the country is supplied with the famous remedy.

A LITTLE girl was sitting on the floor when the sun shone in her face. "Go 'way! go 'way," she cried, striking out at it. "You move, dear, and it won't trouble you," said her mamma. "I s'ant; I dot here first," said the little one. In a life of seventy years the blood travels 4,000,000 miles. If impure and unhealthy it carries disease with it. Purify your blood with B. B. B. I WAS up night and day with a bad arm, and could find no cure from doctors' medicine, so I took two bottles of B. B. B., which cured me. MISS GERTIE CHURCH, Aylmer, Ont. WE suppose a woman may be said to be fur-tive in her way when she tries to pass off plush for sealskin. CROUP, colds, sore throat and many painful ailments are easily caught in this changeable climate. The never-failing remedy is just as easily obtained in Haggard's Yellow Oil, which is undoubtedly the best of all the many remedies offered for the cure of colds or pains. THE scientist who claims that wind can not be seen evidently has little or no experience with sight drafts. JUST why so many people suffer pain when a remedy of known and certain effect like Haggard's Yellow Oil may be had at every drug store, is not very clear. This peerless pain soothing remedy is a prompt and pleasant cure for sore throat, croup, colds, rheumatism, lame back, etc. Price 25 cents. IT was a country editor who announced to his readers that "a number of deaths are unavoidably postponed."

A FRIEND'S face often looks sour and gloom from the effects of misery-making biliousness or liver complaint. If we tell him to use Burdock Blood Bitters and he does it, the face soon brightens with returning health and happiness. B. B. B. never fails. CLERK: Here is something just out. "How to see Europe on Fifty Cents a Day." Customer: Hem! Have you any books on "How to Stay at Home on Fifty Cents a Day?" Milnard's Liniment is the best.
