TEACHERS:

MR. GEORGE MUNRO, Rector,

MR. JAMES FOWLER,

MR. NEIL McKAY.

THIS Institution will be re-opened, in the new premises, in Gerrish Street, on **MONDAY, the 10th January next.**

Ample accommodation is now secured, each of the teachers having a commodious and well ventilated apartment for his own classes.

The mode of instruction followed out in it, has acquired for it a high standing as a Seminary of Education, and the favorable anticipations which were entertained respecting efficiency, both in instruction and discipline, have been fully realized.

While the Academy Board intends that the course should secure a thorough English Education, they provide especially for the instruction of those who might be desirous of following out the study of the Classics and Mathematics. They therefore feel confident in recommending it as an Institution well fitted for giving a solid English Education, as well as admirably adapted for preparing for a higher Collegiate Course.

BRANCHES TAUGHT.

Mathematics, Natural Philosophy, &c., Mr. Munro.

Classics, History, &c., Mr. Fowler.

Initiatory Department, Mr. McKay.
