**ILLUSTRATED.**

Harper's Weekly has now, for more than twenty  
 years, maintained its position as the leading illustrat-  
 ed weekly newspaper in America. With a constant  
 increase of literary and artistic resources, it is able to  
 offer for the ensuing year attractions unequalled by  
 any previous volume, containing two capital illustrat-  
 ed serial stories, one by Mr. Thomas Hardy, among  
 the foremost of living writers of fiction, and the other  
 by Mr. Walter Besant, one of the most rapidly rising of  
 English novelists; graphic illustrations of unusual  
 interest to readers in all sections of the country; en-  
 tertaining short stories, mostly illustrated, by the  
 best writers, and important papers by high authorities  
 on the chief topics of the day.

Every one who desires a trustworthy political guide,  
 an entertaining and instructive family journal, entirely  
 free from objectionable features in either letterpress  
 or illustrations, should subscribe to Harper's Weekly.

 novel, "East Angles," and Mr. Howells' "Indian Summer"  
 —holding the foremost place in serial fiction—  
 will run through several numbers, and will be follow-

 M. Craik. A new editorial department, discussing  
 topics suggested by the current literature of America  
 and Europe, will be contributed by W. D. Howells,  
 beginning with the January Number. The great  
 literary event of the year will be the publication of a  
 series of papers—taking the shape of a story, and de-  
 picting characteristic features of American society as  
 seen at our leading pleasure resorts—written by  
 Charles Dudley Warner, and illustrated by C. S. Rein-  
 hart. The Magazine will give especial attention to  
 American subjects, treated by the best American
