

"The best antiseptic

is undoubtedly that which is the least harmful to man in the dose required for asepsis."—M. DUJARDIN BEAUMETZ.

LISTERINE

a safe, trustworthy, non-toxic antiseptic, answering every requirement of the physician and surgeon. In special practice, notably Laryngology and Rhinology, Listerine occupies an unrivaled position by reason of its excellence and wide range of utility.

An interesting little brochure, entitled:

"The TREATMENT of DISEASES of the RESPIRATORY SYSTEM,"
will be mailed to your address, upon application.

LAMBERT'S LITHIATED HYDRANGEA

A remedy of acknowledged value in the treatment of all diseases of the urinary system and of especial utility in the train of evil effects arising from a uric acid diathesis. A pamphlet treating of "Renal Derangements" may be had by addressing:

LAMBERT PHARMACAL CO., ST. LOUIS

While an excursion into experimental fields in the attempt to relieve the condition of the consumptive may be justifiable, yet it is a satisfaction to have always at hand a reliable help like Scott's Emulsion of pure cod-liver oil with hypophosphites.

Samples free.

SCOTT & BOWNE, Chemists,
Toronto.
