ERTAIN as it is that a single acting cause can bring about any one of the several anomalies of

menstruation, just so certain is it that a single remedial agent—if properly administered—can effect the relief of any one of those anomalies.

The singular efficacy of Ergoapiol (Smith) in the various menstrual irregularities is manifestly due to its prompt and direct analgesic, antispasmodic and tonic action upon the entire female reproductive system. Ergoapiol (Smith) is of special, indeed extraordinary, value in such menstrual irregularities as amenorrhea, dysmenorrhea, menorrhagia and metrorrhagia.

The creators of the preparation, the Martin H. Smith Company, of New York, will send samples and exhaustive literature, post paid, to any member of the medical profession.
