## CASCARA AROMATIC

Is a fluid extract (not a cordial syrup or  
other dilute preparation)  
of prime and selected two year  
old bark (Fresh bark contains a ferment  
which produces griping).

Cascara Aromatic is sweet  
in taste (which children and women especially  
appreciate).

instead of being bitter, as is  
the ordinary fluid extract,  
powerful (Its dose is only  $\frac{1}{2}$   
to 1 fluidrachm.) yet gentle

in effect, and in addition,  
does not gripe (This, next to its taste, is  
its most valuable pro-  
perty, as ordinary bitter  
fluid extracts do).

Surely an Ideal Laxative.

Samples and Literature Free.
