

## A Double Purpose.

The popular remedy, Hagyard's Yellow Oil, is used both internally and externally, for aches, pains, colds, croup, rheumatism, stiffness and diseases of an inflammatory nature.

Among modern toilet inventions are strips of fine felt, highly perfumed, which are intended to be worn inside the dress bodice.

C. R. Hall, Grayville, Ill., says: "I have sold at retail, 150 bottles of Dr. Thomas' Electric Oil, guaranteeing every bottle. I must say I never sold a medicine in my life that gave such universal satisfaction. In my own case, with a badly ulcerated throat, after a physician pronouncing it for several days to no effect, the Electric Oil cured it thoroughly in twenty-four hours, and in threatened croup in my children this winter, it never failed to relieve them immediately.

The basques are made to-day with the high slender darts of English dresses.

## A Safe Investment.

Investing twenty-five cents for a bottle of Hagyard's Pectoral Balm, the best throat and lung healer known. Cures coughs, bronchitis, asthma and all pulmonary complaints.

Poplin, in wool and silk, will be fashionable again; it will be plain, figured and checked.

The true philosophy of medication is not to do for symptoms, but to root out disease. Northrop & Luman's Vegetable Discovery and Dyspeptic Cure, the Great Blood Purifier, has proved itself equal to this task. It is a most searching without being a violent remedy for Constipation, Bilioussness and Indigestion. It is as well adapted to the nervous and physical temperaments of delicate females as to the more robust sex, and is a fine preventive of disease as well as a remedy for it.

Coin buttons and clasps are now made of gold or silver, according to one's purse. A dress made recently had forty gold dollars as buttons.

## Remarkable Restoration.

Mrs. Adelaide O'Brien, of Buffalo, N. Y., was given up to die by her physicians as incurable with Consumption, it proved Liver Complaint, and was cured with Burdock Blood Bitters.

It is said that ruby-colored laces, ribbons and gloves will soon make their appearance.

Hall's Vegetable Sicilian Hair Renewer imparts a fine gloss and freshness to the hair, and is highly recommended by physicians, clergymen and scientists, as a preparation accomplishing wonderful results. It is a certain remedy for removing dandruff making the scalp white and clean, and restoring gray hair to its youthful color.

Lace, silk and ribbon are in request for the various styles of fashions patronized just now.

## Seriously Ill.

A person suffering with pain and heat over the small of the back, with a weak, weary feeling and frequent headache, is seriously ill and should look out for kidney disease. Burdock Blood Bitters regulates the kidneys, blood and liver, as well as the stomach and bowels.

All laces are fashionable, but Valenciennes is the leading white, and Chantilly the favorite black lace.

Pleasant as syrup; nothing equals it as a worm medicine; the name is Mother Graves' Worm Exterminator. The greatest worm destroyer of the age.

Vests made of fur or of the new fringed silk, to be buttoned on the front of bodices, are a novelty.

## A Wise Conclusion.

If you have vainly tried many remedies for rheumatism, it will be a wise conclusion to try Hagyard's Yellow Oil, it cures all painful diseases when other medicines fail.

The new collars are both elaborate and piled high on the head; false braids and switches are employed as formerly.

Day dresses of woolen materials, plain or figured, combined with velvet, are the leading styles among fashionable women just at present.

A novel use is being made of India cashmere shawls, viz., to form a skirt and vest of them, with a basque and drapery of black chudah, or the genuine India cashmere.

## Woman's Suffering and Relief.

Those languid, throe-like sensations, causing you to feel scarcely able to be on your feet; that constant drain that is taking from your system all its former elasticity; driving the blood from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvellous remedy, Hop Bitters. Irregularities and obstructions of your system, are relieved at once while the special causes of periodical pain are permanently removed. None receive so much benefit, and none are so profoundly grateful, and show such an interest in recommending Hop Bitters as women.

## A Postal Card Story.

I was affected with kidney and urinary trouble—  
"For twelve years!"  
After trying all the doctors and patent medicines I could hear of, I used two bottles of Hop Bitters.

And I am perfectly cured. I keep it "All the time!" respectfully, B. F. Booth, Salisbury, Tenn.—May 4, 1893.

BRADFORD, PA., May 2, 1894.

It has cured me of several diseases, such as nervousness, sickness at the stomach, monthly troubles, etc. I have not seen a sick day since I took Hop Bitters. All my neighbors thank me.

J. J. FAYNE, WASH.

## \$3,000 Lost.

"A tour to Europe that cost me \$3,000, done me less good than one bottle of Hop Bitters; they also cured my wife of fifteen years' nervous weakness, sleeplessness and dyspepsia."

R. M. Auburn, N. Y.

St. Louis, Mo., May 1, '93.  
Sirs—I have been suffering ten years, and I tried your Hop Bitters, and it done me more good than all the doctors.

Miss S. B. BOOKER.

## Baby Saved.

We are so thankful to say that our nursing baby was permanently cured of a dangerous and protracted constipation and irregularity of the bowels by the use of Hop Bitters by its mother, which at the same time restored her to perfect health and strength.

The Parents, Rochester, N. Y.

INTERNATIONAL COLONIAL EXHIBITIONS  
ANTWERP IN 1885—LONDON IN 1886.

It is the intention to have a Canadian representation at the International Exhibition at Antwerp, commencing in May, 1885, and also at the Colonial and Indian Exhibition in London in 1884.

The Government will defray the cost of freight in conveying Canadian Exhibits to Antwerp, and from Antwerp to London, and also in returning them to Canada in the event of their not being sold.

All Exhibits for Antwerp should be ready for shipment not later than the first week in March next. These Exhibitions, it is believed, will afford favorable opportunity for making known the natural capabilities, and manufacturing and industrial progress of the Dominion.

Circulars and forms containing more particular information may be obtained by letter (post free) addressed to the department of Agriculture, Ottawa.
