TO CONTRACTORS

Tenders will be received by the undersigned up to Wednesday, September 10th, 1902, for the several trades required to erect, complete and equip the Hotel Algonquin, Dorset, Ont. The building is to be erected of wood, with metal covering, plastered partitions, hardwood flooring, etc.

There will be required a steam boiler, engine, pump and complete electric lighting plant.

Plans, specifications and information at the office of the Architect.

The lowest or any tender not necessarily accepted.

ROBERT M. OGILVIE, Architect,
9 Toronto Street, Toronto.

To Contractors

Sealed tenders, marked "Tenders for Superstructure," will be received up till 6 p. m. on MONDAY, THE 8TH DAY OF SEPTEMBER, 1902, for the construction of Two Concrete Abutments and Wings of broken stone, on Petrolia Street, in the Town of Petrolia.

Plans and specifications may be seen at the Town Clerk's office.

Sealed tenders, marked "Tenders for Superstructure and Proposals," will be received up till 6 p. m. on MONDAY, THE 8TH DAY OF SEPTEMBER, 1902, for the construction of a Wrought Iron or Steel Highway Bridge having a span of 85 feet C to C, and roadway 24 feet clear, and an incline of floor 3' 7" in the length C to C, according to Cooper's standard specification 1st class B1, and to carry a cement floor (for which separate tender and proposals will be received at the same time as the tender for superstructure).

The trusses must not be connected above the floor. Lattice railings will be required and a sidewalk 6 feet in the clear will be placed on projecting beams on one side.

Tenders must show cost of sidewalk to be placed outside of truss or six feet of the bridge floor be used for a sidewalk, with necessary divisions. A marked cheque for \$10000 to accompany tender as a guarantee of good faith, to be returned if unsuccessful.

The lowest or any tender not necessary accepted.

JNO. MCHATTIE, Town Clerk,
Petrolia, Ont.

A. S. CODE, Alvinston, Ont.
Engineer in Charge.

LUCKNOW

The town proposes installing an electric light system of its own, and the Clerk, Hugh Morrison, would like particulars and quotations from construction companies.

HUGH MORRISON,
Clerk.

TENDERS

will be received by the undersigned up to 4 p. m. MONDAY, SEPTEMBER 8TH, for the laying of about 15,000 square feet of Granolithic Sidewalk in the Town of Walkerton. A quantity of filling will be required. Parties tendering will be required to tender at so much per square yard below the top 10 inches, also at so much per square foot for top 10 inches. Parties tendering will be required to furnish an accepted cheque for 5% of amount of contract, payable to the order of the Treasurer of the Town of Walkerton. Parties tendering unsuccessfully their cheques will be returned.

The lowest or any tender not necessarily accepted.

W. S. GOULD,
Town Clerk.

Walkerton, August 29th, 1902.

STRATHROY WATERWORKS

Sealed tenders will be received by the Managing Director of the Citizens Water, Gas and Electric Company of Strathroy, until 5 p. m. on MONDAY, SEPTEMBER 8TH, 1902, for the different sections of the Strathroy Waterworks System, as per plans and specifications which may be seen at the office of the Chief Engineer, Toronto, and at the office of the Secretary-Treasurer of the company, on and after September 1st. No tender necessarily accepted.

DUGALD GRAHAM, President,
Strathroy, Ont.

HARRY C. BRITAIN, Manager,
Strathroy, Ont.

WILLIS CHIPMAN, Chief Engineer,
103 Bay Street, Toronto, Ont.

DATE OF PUBLICATION

Architect, engineers, municipal authorities and others are reminded that the CONTRACT RECORD is printed every Tuesday afternoon, and that advertisements should reach the office of publication not later than 2 o'clock p. m. on that day to insure insertion in the issue of the current week. Advertisements are frequently received too late for insertion, to avoid which special attention is directed to this announcement.

CONTRACTS OPEN.

CAMPOBELLO, N. B.—Dr. Lord, of Boston, is building a cottage here.

SARNIA, ONT.—The contract for public library will likely be awarded this week.

LONDON, ONT.—W. A. Hagerman is calling for tenders for a two-storey frame house.

GRAND MERE, QUE.—The Laur endie Pulp Co. are about to enlarge their paper mill.

WINDSOR MILLS, QUE.—The council has decided to install a municipal electric light plant.

MIDLAND, ONT.—J. B. Howell & Son are preparing to build a large addition to their store.

NEUSTADT, ONT.—Binkley Bros. have decided to rebuild their saw-mill and foundry at once.
