

## WE TAKE PLEASURE

In introducing to you a man and a maid just arrived in Bookland

**TILLIE**

is the sweetest and bravest little lass in recent fiction. She is the heroine of Helen R. Martin's new novel:

## TILLIE: A MENNONITE MAID

This is a book that will uplift you. It will make you both laugh and weep. You will sympathise with Tillie in her pitiful struggle with the sordid conditions of her life, and you will smile at the quaint, unconsciously humorous speech and customs of the Pennsylvania Dutch.

TILLIE is awaiting you at all the book-stores. Go in and see her.

Illustrated.  
Prettily bound.

**"DENIS"**

—our "man," is the hero of a new novel by Mr. Ernest W. Horning, who also wrote "Raffles" and "An Amateur Cracksman."

The book is entitled

## DENIS DENT

You will find plenty of adventure in this tale (which one reviewer calls "the latest in duels") and besides meet a lovely lady. A shipwreck, the Australian gold fields and the Crimean war, all figure in this story. It is all told so simply and naturally that you cannot help following the fortunes of "Denis," whether in love or war, to the end.

With a Frontispiece by Harrison Fisher

Cloth only, \$1.50
