

# Oily skin and shiny nose

## How to correct them

That bugbear of so many women—an oily skin and shiny nose—has various contributory causes.

Whatever the cause in your case, proper external treatment will relieve your skin of this embarrassing condition.

## Begin this treatment tonight

With warm water work up a heavy lather of Woodbury's Facial Soap in your hands. Apply it to your face and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with warm water, then with cold—the colder the better. If possible, rub your face for a few minutes with a piece of ice.

This treatment will make your skin fresher and clearer the first time you

use it. Make it a nightly habit and before long you will see a decided improvement—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake. Tear off the illustration of the cake shown below and put it in your purse as a reminder to get Woodbury's today and try this treatment.
