A MODEL RAILWAY.

The Burlington Route C. B. & Q. R. R. operates 7,000 miles of road, with termini in Chicago, St. Louis, St. Paul, Omaha, Kansas City and Denver. For speed, safety, comfort, equipment, track and efficient service it has no equal. The Burlington gains new patrons, but loses none. 7-4

Watts—There's no doubt but that women are allowed much more latitude than in the days when we were young.

Potts—Oh, yes, some of them have discarded corsets altogether, I understand.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

Arrayed in summer garments,
The maiden sweet and shy
I thought as fair a vision
As ever met the eye.

She said she was a poem,
So beautiful was she,
And they were partly right, I find,
For she's a-verse to me.

C. C. Richards & Co.,
Gents.—The ha' dozen Minard's Liniment came to hand all right and has cured me of my neuralgia, while not a few of my rheumatic neighbors have been cured and pronounce it the best medicine ever used by them. I shall anxiously wait for the 15 gross ordered, as customers are waiting for it.
CHARLES M. WILSON, Oregon.

'Six months ago,' said, the Scranton editor 'we struck this town.

'Yes,' said the disgusted subscriber, 'and the town has never recovered from the blow.'

TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it free to any Person who applies to Nicholson 177 McDougal street, New York.

Not long since at Dresden, Germany, a German landlady remarked, 'If America is such a great and glorious country, why do so many Americans come to Europe?' It seems one half of her guests hailed from the United States. Many were the answers: but really it is a question. With the exception of old libraries and old paintings there is far more to be seen at home than abroad; grander lakes and mountains and rivers and scenery; more comfort in travelling and more comfort in living. At any rate should not the European tourist first make himself acquainted with his own country before visiting foreign lands? The annual exodus from this country to Europe is almost startling in its numbers,

THE TEACHERS' ASSISTANT

Published by the Toronto Diocesan
Sunday School Committee

TO EXPLAIN AND ILLUSTRATE
Canadian Church Sunday-
school Lessons,

ADOPTED BY PROVINCIAL SYNOD OF
CANADA, Sept. 16th, 1889.

Price only 30 cents per annum.

The Bishop of Toronto thus writes
respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
