THE HIGH SCHOOL Drawing Course.

Authorized by the Minister of Education.

The course is now complete:—

- No. 1—Freehand.
- No. 2—Practical Geometry.
- No. 3—Linear Perspective.
- No. 4—Object Drawing.
- No. 5—Industrial Design.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration it upon the same page with its own matter, and wish the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete textbook on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

Price, Only 15 Cents a Book.

The Retail Trade may place their orders with their Toronto Wholesale Dealers.
