

OBEYING ORDERS.

The late Lord Derby was decorating one of his country mansions, and was having the central hall floor tasseled. A young man tall and powerful, was at work on one of the walls, when the Earl ordered a number of slippers to be placed on the door mat, desiring this young man to order any one that came in to put on a pair before crossing the passage, and added to the order, "If any body does not do it you must take him by the shoulder and turn him out." Soon after a hunting party passed, and the late Duke of Wellington, with his splashed boots, opened the door and rushed along the hall. The young man immediately jumped off the ladder on which he was painting, and, seizing his Grace by the shoulder, fairly pushed him out of the house. The painter said afterwards, very emphatically, that "the Duke's eagle eye went right through him," but as he did not know the Duke, he only kept wondering who the individual was. In the course of the day the Earl, on hearing of the circumstances, summoned all the household and men at work into his study, and, seating himself beside the great warrior, demanded who had the impertinence to push the Duke out of doors. The painter, all of a tremble, came forward and said, "It was I my lord."—"And pray," rejoined the Earl, "how came you to do it?"—"By your orders my lord."—"On this his grace turned round to Lord Derby, and, smiling, drew a sovereign out of his purse, and giving it to the astonished culprit, said, significantly, "You are right to obey orders."

ORGAN & MELODEON

MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kindness and justness of the people which has tended to prosper and increase our business and reputation far above our expectation. We supply Organs and Melodeons made and finished in the most complete and perfect manner, using the best materials possible to be obtained, employing only first-class workmen, and having each department superintended by men of experience.

Our trade mark, "Cremona and Celeste Organ," is placed upon the nameboard or key slip of all Organs manufactured by us, and having been registered for our sole use, all parties are cautioned not to infringe on the said trade mark.

We claim especial attention to our Vox Celeste Organs, No. 27 and No. 34. The Vox Celeste Reeds were first introduced in Canada by us in 1869, in a 6 reed organ, which took the first prize at the Provincial Fair held that year in London. We have since applied it successfully to our single and double reed organs, making our "Celeste Organs" the most popular instrument now before the Canadian public.

We manufacture the most popular styles, and introduce all the latest improvements.

ALL INSTRUMENTS FULLY WARRANTED FOR FIVE YEARS.

Sole Proprietors of the ORGANETTE, containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers, from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.

The moment a Cancer is discovered, it should be Cured, as it will cost less and is more speedily cured than when of longer standing, and there is nothing to gain, and everything to lose, by delay. What now seems a harmless lump in the breast, neck, eyelid or elsewhere, or small wart or sore on the lip, may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy. All communications promptly answered.
